March 31, 2055

**Owen H. Davis**

Senior Pastor

Grace Community Church

3749 Bel Meadow Drive

Highland, CA 92346

Dear Pastor Davis,

I am writing this letter to provide a strong recommendation for Mr. Bobby M. Payton. I have had the pleasure of knowing Bobby for the past five years as a member of our church, and I believe he would make an excellent addition to Grace Community Church.

Bobby has been an active participant in various church activities and programs. He consistently shows dedication, enthusiasm, and a strong passion for serving others. Whether volunteering for community outreach events, leading youth Bible study groups, or assisting in organizing church conferences, Bobby has always demonstrated exceptional leadership skills and a genuine desire to empower and inspire others.

*The Mystery of the Strawman* Donald Craig Miller, 2024-10-28 It all began for detective Jake Jezreel with the discovery of an ancient letter A lost never before seen letter The inscription was a message from Jake s father from fifteen years before Happiness and sorrow were intertwined in that note But deep within the cipher rested a hidden menace from the dark past The menace was a criminal only identified as Strawman In fifteen years where had Strawman hidden himself Jake hadn t a clue what had happened to Strawman But in short order Jake Jezreel was about to find out And he will also discover that Strawman has a much more grandiose crime in mind than all his previous penny ante criminalities Soon after this discovery Jake is hired to deliver a pastoral letter for the Senior Pastor in the Jerusalem church Pastor James The letter would later become known as The Epistle of James The first destination for the letter is the coastal city of Caesarea the capital of Judea Upon arrival Jake encounters someone with a distant association to his past And in the process the detective uncovers a devious plot to assassinate one of the key personalities in the city during the Roman holiday celebration of Parilia Time is running out Jake is called in by the local authorities to discover and thwart the unseen unknown perpetrators But Jake has only a day and a half to ferret out the murderous gang before the Parilia celebration begins There is only one mysterious note as a clue It is signed Strawman

**The Anatomy of Church Leaders** Noel G. Clavecilla, 2020-12-16 The church of our Lord is like a body with Christ as the Head Since only the Head is perfect the body which is the church is subject to illness or disorderliness just like a human body The body of Christ is composed of people of diverse social cultural and spiritual maturity backgrounds so friction amongst each other is most likely to occur There is no such thing as a trouble free church because all local churches are being led by people who have their own imperfections In some cases these leaders walk in Spirit with pure godly motives while others are controlled by fleshly desires with selfish motives The body of Christ needs godly human leaders to support and maintain its orderliness The victory or failure of a church ministry depends on the church leaders character maturity mindset and practices This book gives the philosophies that every church leader should possess and offers biblical and practical solutions to some of the most common problems that every local church face based on the many years of experience of the author

Identification and Citizenship in Africa Séverine Awenengo Dalberto, Richard Banégas, 2021-05-09 In the context of a global biometric turn this book investigates processes of legal identification in Africa from below asking what this means for the relationship between citizens and the state Almost half of the population of the African continent is thought to lack a legal identity and many states see biometric technology as a reliable and efficient solution to the problem However this book shows that biometrics far from securing identities and avoiding fraud or political distrust can even participate in reinforcing

exclusion and polarizing debates on citizenship and national belonging It highlights the social and political embedding of legal identities and the resilience of the documentary state Drawing on empirical research conducted across 14 countries the book documents the processes practices and meanings of legal identification in Africa from the 1950s right up to the biometric boom Beyond the classic opposition between surveillance and recognition it demonstrates how analysing the social uses of IDs and tools of identification can give a fresh account of the state at work the practices of citizenship and the role of bureaucracy in the writing of the self in African societies This book will be of an important reference for students and scholars of African studies politics human security and anthropology and the sociology of the state     *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, James Strong, 1889     *Official Report of the Proceedings and Debates ...* Church of the United Brethren in Christ (1800-1889). **The New Economy of Nature** Gretchen Cara Daily, Katherine Ellison, 2002 Earth s ecosystems forests wetlands coral reefs and the like are among humanity s most precious assets offering such vital services as climate control and water purification So why are they being rapidly destroyed A major reason is that protecting them has been seen as largely a

charitable venture and philanthropy isn't up to the job. Increasing numbers of environmentally minded people are therefore trying to harness a more potent force: self-interest to preserve our environmental endowment. There is the quest portrayed in *The New Economy of Nature*. In this timely and provocative book, Gretchen Daily, one of the world's leading ecologists, and Katherine Ellison, a Pulitzer Prize-winning journalist, give us an informative look at a new new economy that recognizes the full value of natural systems and the potential profits in protecting them. **BOOK JACKET** *Kesselring's Last Battle* Kerstin von Lingen, 2009. Revisits the war crimes trial of Albert Kesselring, commander in chief of German troops in Italy during World War II who was sentenced to death for the killing of thousands of civilians in Italy. Reveals how the commutation of that death sentence was one of the earliest maneuverings in the nascent Cold War. *English Ministry Crisis in Chinese Canadian Churches* Matthew Richard Sheldon Todd, 2015-03-26. In this book, Dr. Matthew Todd looks into the anecdotal reporting of high numbers of Canadian-born Chinese leaving Western Canadian Chinese churches, what is termed the silent exodus. Some of the fastest growing Canadian churches are Chinese, yet reportedly the highest dropout rates are among Chinese and Asian church adult ministries. This book recommends solutions towards the retention of Canadian-born Chinese adults in Chinese bicultural churches through empowerment. To address retention, the key factors that contribute to a silent exodus are established through qualitative research with participants of diverse church affiliations. Todd examines various models and proposed solutions the Chinese church has used to retain its English-speaking congregants and gives attention to a theological basis for being inclusive in mission initiatives and for empowerment through passing the leadership baton. Todd makes some recommendations on the new wave of an emerging congregational model that requires negotiation with Chinese church leadership to give power away to English ministry leaders and congregations. He anticipates that this will permit transformational leadership practices that contribute to shalom, community transformation, and lasting congregations.

Women in Scripture Carol Meyers, Toni Craven, Ross S. Kraemer, 2000-03-30. This splendid reference describes every woman in Jewish and Christian scripture. *Monumental Library Journal*. In recent decades, many biblical scholars have studied the holy text with a new focus on gender. *Women in Scripture* is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization, a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well-known or heretofore not known at all. They are remarkably varied: from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament will inform, delight, and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that

takes the study of women in the Bible to a new level
