

## Letter of Recommendation for Teacher's Name

To Whom It May Concern,

Teacher's name completed his student teaching in my special education class at School Name in City during the spring semester of 2023. I highly recommend Teacher's Name for a teaching position at your school.

Teacher's name has proven himself to be an excellent teacher. He was prepared for class with well-planned lesson plans and classroom activities that focused on the individual needs of my special education class. Teacher's name worked hard to identify and meet the needs of learners in my class. He adapted his lesson plans and created differentiated lessons and IEP work for my students.

Teacher's name worked cooperatively with other teachers and staff members to meet the needs of each student and ensure they reached their goals. While at School's Name, Teacher's Name also worked and collaborated with grade-level teams. He planned lessons, collaborated at team meetings, and reviewed student's assessment data.

I was very impressed with Teacher's Name's dedication to my students and their families. His caring disposition and compassion helped him form lasting relationships with my students and reach them on their learning levels. Teacher's name worked closely with each student's family to ensure students were learning at school and home. It is evident that he genuinely cares about his students and loves teaching.

I do not doubt that Teacher's Name will be an asset to your school, and I recommend him without reservation.

Sincerely,

Recommending Teacher's Name
