Architecture, Theology, and Ethics Elise M. Edwards, 2024-03-18 Architecture Theology and Ethics Making Architectural Design More Just argues that architecture design and creativity are theological ethical concerns that ought to be considered more deeply by Christians who are committed to social and environmental justice Elise M Edwards discusses the significance of architectural design entering into ongoing conversations in theological ethics and aesthetics She argues that architectural design is not just a professional practice for wealthy clients but rather an activity that everyday people undertake when making choices that shape the spaces they inhabit If Christians think theologically about their agency in these decisions they will discover that architectural design becomes an opportunity to contribute to the flourishing for humanity and God's creation Edwards proposes an approach to architectural design that presents it as prophetic action with the power to shape our world This book then presents five moral commitments that guide design intentions and the process of design towards justice and inclusion Grounded in liberationist feminist and womanist thought *Architecture Theology and Ethics* makes a compelling case for architecture's relevance to Christian ethics and theology
