about the business of trade and the people involved in it What was the nature of their work and how did it evolve through the
ages In the lavishly illustrated At Home on the World Markets Joost Jonker and Keetie Sluyterman look at mercantile
dynasties such as the Trips and the Van Eeghens and companies such as the famous Dutch East Indian Company VOC and
the modern trading company Hagemeyer that have been largely unstudied They describe the evolution of a unique economic
sector that occupies a key position in the supply chain from producers to consumers *The Official Railway Guide* ,1909
