Steam Generator ironing system

Please read and keep these instructions.

Getting the best from your new steam generator...

Safety first

Caution must be used when handling this appliance as it does get very hot. Always switch off the unit and allow to cool before cleaning or storing.

Water tank and spray (certain models only)

The water tank can be removed and re-filled at any time during ironing.

Performance

To extend the performance and life of your jet steam generator, ensure that you replace the anti-scale filters regularly.

To improve the life of your new product and to ensure the cleanliness of your clothes, we strongly recommend the use of distilled or demineralised water.
