Sullivan, 2017-06-28 I have looked everywhere I can possibly imagine for a cookbook that delivers authentic chicken recipes from fast food chains like Kentucky Fried Chicken Popeye's and Bojangles Do you have anything like that or could you tell me where I might find something similar It just so happens that I have something in that ballpark We raise chickens here on the homestead so I am always looking for the best recipes available We don't go to the big city much so getting chicken from any of the fast food chains you mentioned is rather rare On the few occasions that we've tried it everybody has really enjoyed it which is why I try to replicate it here at home There are several chicken recipes in this book many from KFC and several from Popeyes however I don't think anything from Bojangles made the list We don't have that chain up here where we live so I'll have to do some digging and try to find some from there for the next edition In the meantime try as many of these as you like and let me know which ones you like the best Bon Appetit Ann Sullivan **Official Gazette of the United States**

Utahisms: Unique Expressions, Inventions, Place Names & More David Ellingson Eddington, 2022 Utahisms Unique Expressions Inventions Place Names and more ranges from the characteristic to the bizarre. The Beehive State's iconic vistas are singular and distinctive. So too are its colloquialisms, peculiar place names, and landmark firsts. Confusion from local dialect ultimately thwarted a would-be robber in Salt Lake City. The proper pronunciation of Tooele might surprise visitors while residents still debate its origins. And phrases once thought to be solely Utahn often prove otherwise. The world's first department store was born out of xenophobia and religious persecution in 1869. Martha Hughes Cannon followed through on Brigham Young's encouraging women to become physicians. She later became the first female state senator in the United States, defeating her own husband. Examining everything from phonetics to history, BYU Linguistics Professor David Eddington reveals the roots of what is truly uniquely Utah.
