Le Christianisme Des Origines A Constantin Ddl:

Le christianisme des origines à Constantin Simon Claude Mimouni, Pierre Maraval, 2006-10-02 Cet ouvrage remplace en partie le titre paru dans la même collection Le judaïsme et le christianisme antique de Marcel Simon et André Benoît En effet de multiples publications de sources inédites de nouvelles questions et interprétations sont apparues nécessitant un volume consacré au seul christianisme Ce volume est une somme présentant tous les acquis les plus récents sur le développement du christianisme favorisé par l'édit de tolérance de Galère puis par la politique de Constantin Les institutions comme les doctrines vont se fixer et s'uniformiser grâce à la réflexion de nombreux théologiens *Bibliographie nationale française*, 1993

Civil society and the politics of belonging in Anglophone Cameroon** Piet Konings, 2009 While neoliberals typically view civil society organizations as vital channels for the implementation of economic and political reforms they are also inclined to blame the politics of belonging for the poor record of these reforms Piet Konings rejects such notions and argues that the relationship between civil society and the politics of belonging is more complex in Africa than Western donors and scholars are inclined to admit He argues that ethno-regional associations and movements are more significant constituents of civil society in Africa than the conventional organizations that are often uncritically imposed or endorsed He shows how the politics of belonging so pervasive in Cameroon and indeed much of Africa during the current neoliberal economic and political reforms has tended to penetrate the entire range of associational life and he calls for a critical reappraisal of prevalent notions and assumptions about civil society in the interest of African reality
