A Possessive Alpha [New Luna Werewolves 1] (Siren Publishing Everlasting Classic Manlove) Marcy Jacks,2016-11-09 Siren Everlasting Classic ManLove Erotic Alternative Paranormal Romance M M werewolves HEA Ash Grantz is on the run from an abusive boyfriend Short on cash he stops for a few days to earn some money to buy his way to Dallas where he can hide forever but when Harris catches up with him he can t outrun him or a bullet Dakota is an alpha luna werewolf a powerful creature able to shift into a monster of a wolf and his breed is the terror of other shifters When he catches a scent that calls to him on the most primal level he can t ignore it and he s barely in time to save Ash s life Dakota had to change Ash to save him and after losing one mate he never wants the pain of losing another But Ash is a former human and after running from his ex being around a possessive alpha will only push him away putting them both and their fragile love in danger of ending before it can begin A Siren Erotic Romance *Obsessed Alphas* Arya Hucovv,2021-05-27 Aren is hopelessly in love in lust with a little human in the woods protected by her two guardians She s a fragile little creature sweet and innocent in all the right ways but her guardians guard her zealously and if Aren wants to get close he will have to be very careful He doesn t just want to get close He wants to have her claim her in a way no one else has and keep her for himself Except nothing goes according to plan because when he finally breaks into the territory he finds her being filled by not one but two giant Alpha Werewolves the poor darling sandwiched between them making punched out little noises as she struggles to take them both at the same time PG Excerpt Aren moves through the trees like a shadow melting

into the darkness whenever the option presents itself hiding from the moon and keeping out of sight His nerves skitter between fear of getting caught and anticipation of finally getting what he wants what he deserves It s heady and warm intoxicating He could get drunk on the feeling alone could let it drag out what he s about to do just to taste it on his tongue a while longer He knows the forest like the back of his hand but tonight offers him another challenge If he gets caught he would not make it through the night He has hidden his scent so other wolves would not be able to find him or track him down He has always been a predator The thought of him being hunted being prey is a peculiar one that he is not familiar with in the slightest There are many other shifters in the city but most of them are either werewolves like himself or prey shifters But he isn t going to let that stop him She belongs to him She has belonged to him ever since he first saw her She is unafraid even though she should be terrified Something like her should be afraid of the whole world so soft and breakable He could snap her neck right there and no one would be able to challenge him since she is the one who had wandered into his territory uninvited He lets her go but he keeps track of her progress Her guardians are Devon and Wren both Alpha Werewolves and they acquired her from another pack A human Aren thought they have all gone extinct They are rare precious Coveted as a status symbol of sorts They are kept as precious members of the pack but are rarely allowed outside of their own territories which means it is rare to even see one He was lucky enough to touch her The house in the middle of the woods is in darkness except for a light in the bedroom He doesn t notice any movement but he knows that she s inside and she s alone Her guardians are not in today which is exactly why Aren had chosen today to act It is also why the other wolf had chosen today as well It is rare for both her guardians to be away but they have gotten careless with the passing of time thinking that she will be able to keep herself safe from harm They thought keeping her out here away from civilization would forget about her and leave her alone Finding her finding this place had been fate He fell in love with her scent and he did the right thing and waited for her to be old enough to be claimed Years he had waited patiently watching from afar as she blossomed from a bubbly young girl to a beautiful young woman She just turned eighteen and he decided to wait until her guardians are out before making his move He has an arsenal of things he intends to use on her
