*Negotiating Identities in Contemporary Africa* Toyin Falola, Emmanuel M. Mbah, 2023-08-29 *Negotiating Identities in Contemporary Africa* Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

Cultural Impact on Conflict Management in Higher Education Nancy T. Watson, Lei Xie, Matthew J. Etchells, 2018-07-01 *Cultural Impact on Conflict Management in Higher Education* shares information regarding conflict management and resolution in higher education from a global perspective In this book we introduced many conflict resolution methods from different regions in the world You can borrow some successful strategies and examine the differences and similarities between contexts The book shares a conflict resolution model which may direct the reader to start thinking about addressing and managing conflicts from different levels of organizations This book is a collective work of authors coming from all over the world We chose higher education as the context because it is a place where diverse thoughts perspectives and people come together Because of the potential richness of diversity on a college campus the opportunity for conflicts occurs Managing conflict does not work when there is a one way only approach model for addressing conflict Some conflict resolution encompasses multiple dimensions a one s personal beliefs or beliefs about an issue b an individual s personal history in terms of how the conflict was perceived as something to be discussed or not c work culture of the conflict where if one has a conflict the person or unit is messing up or there is a problem person d the unconscious strategies of face saving trying to maintain one s image present e social hierarchies or relationships and f the diversity dimensions and issues that may be present

Country profile - Kenya: Gender, climate change, and nutrition linkages Mawia, Harriet,Ferguson, Nathaniel,Bryan, Elizabeth,Thomas, Timothy S.,2025-07-22

Agriculture is vital to Kenya s economy accounting for 20% of the country s GDP in 2020 Yet the growth of the sector has slowed in recent years due to unfavorable weather conditions leading to a reduction in crop and livestock performance Central Bank of Kenya 2023 While employment in agriculture has been steadily declining to 32% in 2023 the sector still employs a large share of the rural population and is the main source of informal employment rural income and livelihoods D Alessandro et al 2015 ILO 2025 A majority of Kenyan farmers operate on a small scale and are solely dependent on rainfall D

Alessandro et al 2015 However since the 1970s the country has experienced significant changes in rainfall patterns average rainfall during the long season has decreased while rainfall during other times of the year has increased and the country has experienced more frequent climate extreme events Kogo et al 2021 Increased climate variability has negative effects on agriculture and may exacerbate inequalities within the sector Due to gender inequalities and gender differentiated roles in agrifood systems men and women do not experience climate change and variability in the same ways Balikoowa et al 2019 Lecoutere et al 2023 According to the World Economic Forum women are more vulnerable than men to climate change due to lower education and exclusion from the political and domestic decision making processes that affect their lives
