Editorial procedure

General presentation

Journal of New Sciences : all manuscripts should be written in English or French.

The manuscript should report the results of original research. The material should not have been previously published or submitted for publication elsewhere.

The text length is limited to 15 pages, including figures, tables and references. The number of literature references is limited to 30, except for review articles. All text should be written in a concise and integrated way, by focusing on major points, findings, breakthrough or discoveries, and their broad significance. All running text should be in Times New Roman 11, 1,5 spacing. Figure and table captions should be written in Times New Roman 9.

Title

The title should be short and focused on the main scientific discovery.

Abstract

The abstract of less than 300 words should report concisely on the main scientific breakthrough. The abstract should preferably not contain general statements, abbreviations, and literature references.

Key words

Do not repeat the words already in the title of the paper. Search engines such as Google automatically search the title. Key words should draw attention to features of the paper not addressed in the title.

Sections

The text should start with: article title; name of authors with an asterisk "*" highlighting the corresponding author; e-mail address of the corresponding author; 6 keywords. The text should contain the following sections:

- Abstract (less than 300 words)
- List of keywords (maximum 6)
- 1. Introduction
- 2. Materials and methods (including subsections - 2.1, 2.2...)
- 3. Results and discussion (including topical subsections - 3.1, 3.2...)
- 4. Conclusion

Acknowledgments

- 5. References

Other sections such as annexes and appendices are not accepted.
