John Milton, Epistolarum Familiarium Liber Unus and Uncollected Letters Estelle Haan, 2019-10-14 John Milton holds an impressive place within the rich tradition of neo Latin epistolography His *Epistolae Familiares* and uncollected letters paint an invigorating portrait of the artist as a young man offering insight into his reading programme his views on education friendship poetry his relations with continental literati his

blindness and his role as Latin Secretary This edition presents a modernised Latin text and a facing English translation complemented by a detailed introduction and a comprehensive commentary Situating Milton's letters in relation to the classical pedagogical neo Latin and vernacular contexts at the heart of their composition it presents fresh evidence in regard to Milton's relationships with the Italian philologist Benedetto Buonmattei the Greek humanist Leonard Philaras the radical pastor Jean de Labadie and the German diplomat Peter Heimbach It also announces several new discoveries most notably a manuscript of Henry Oldenburg's transcription of Ep Fam 25 This volume fills an important gap in Milton scholarship and will prove of particular use to Milton scholars students philologists neo Latinists and those interested in the humanist reinvention of the epistolographic tradition *The Transatlantic Eco-Romanticism of Gary Snyder* Paige Tovey, 2013-12-18 Tracing connections between Gary Snyder and his Romantic and Transcendentalist predecessors Wordsworth Blake Emerson Whitman and Thoreau this study explores the tension between urbanization and overindustrialization The dialectical relationship between Snyder and his predecessors reminds readers that nature is never a simple concept **Reading, Desire, and the Eucharist in Early Modern Religious Poetry** Ryan Netzley, 2011-01-01 The courtly love tradition had a great influence on the themes of religious poetry just as an absent beloved could be longed for passionately so too could a distant God be the subject of desire But when authors began to perceive God as immanently available did the nature and interpretation of devotional verse change Ryan Netzley argues that early modern religious lyrics presented both desire and reading as free loving activities rather than as endless struggles or dramatic quests Reading Desire and the Eucharist analyzes the work of prominent early modern writers including John Milton Richard Crashaw John Donne and George Herbert whose religious poetry presented parallels between sacramental desire and the act of understanding written texts Netzley finds that by directing devotees to crave spiritual rather than worldly goods these poets questioned ideas not only of what people should desire but also how they should engage in the act of yearning Challenging fundamental assumptions of literary criticism Reading Desire and the Eucharist shows how poetry can encourage love for its own sake rather than in the hopes of salvation [The Robert J. Three Major Plays Lope de Vega, 1999-01-21. Lope de Vega 1562-1635 widely regarded as the architect of the drama of the Spanish Golden Age was known by his contemporaries as the monster of Nature on account of his creativity as a playwright. Claiming to have written more than a thousand plays, he created plots and characters notable for their energy, inventiveness, and dramatic power, and which in contrast to French classical drama combine the serious and the comic in their desire to imitate life. *Fuente Ovejuna*, based on Spanish history and revealing how tyranny leads to rebellion, is perhaps his best-known play. *The Knight from Olmedo* is a moving dramatization of impetuous and youthful passion which ends in death. *Punishment without Revenge*, Lope's most powerful tragedy, centres on the illicit relationship of a young wife with her stepson and the revenge of a dishonoured husband. These three plays grouped here in translations which are faithful to the original Spanish, vivid and intended for performance, embody the very best of Lope's dramatic art. The Oxford Shakespeare: Julius Caesar William Shakespeare, 2008-05-08. The most famous of Shakespeare's Roman tragedies, *Julius Caesar* was written and first performed in 1599 and was apparently one of the plays his contemporaries enjoyed most. Recounting the death of Caesar on the steps of the Senate house, the play offers some of Shakespeare's finest scenes: Antony's skillful speech at Caesar's funeral and the quarrel and reconciliation between Brutus and Cassius with the news of Portia's death. This edition includes a fresh consideration of the play's date and its place in the Shakespeare canon and examines how Shakespeare reshaped his sources, primarily North's translation of Plutarch's *Lives*.
