Coffee Ninja Barista Manual Steven Jackson, 2017-11

The ultimate barista manual for all developing coffee professionals and businesses. Here, Steven presents coffee by using some of the latest computer software. Including everything from where coffee comes from to latte art, the knowledge within will give you the ammunition to get that job, build your skills, and make you the barista you aspire to be. What makes a good coffee? Unfortunately, there are multiple answers to that question. But anyone can learn to be the best barista on the block. Making coffee can look like a complicated process, but when it is broken down, it's easy. But like a chain, it only takes one link to break down for the final product to be compromised. This book goes through everything from the bean to the final beverage in a simple and visual way that hasn't been done before. In addition to the content in this book, you will gain access to extra printable charts and guides for you to keep and implement in your workplace. This includes a breakdown of over 60 espresso beverages, barista assessments, and guide sheets. If you're a barista hoping to begin improve or refine your skills, then this is the book for you. If you're a business hoping to achieve the same for yourself and/or your staff, this is the book for you. Inside is also access to free downloadable charts and guides which can be used however the reader wishes. If you're looking for the tools to stay ahead and be a coffee ninja, this book is for you.
