*John Thorndyke's Cases* R. Austin Freeman, 2015-10-28 There are I suppose few places even on the East Coast of England more lonely and remote than the village of Little Sunderley and the country that surrounds it Far from any railway and some miles distant from any considerable town it remains an outpost of civilization in which primitive manners and customs and old world tradition linger on into an age that has elsewhere forgotten them In the summer it is true a small contingent of visitors adventurous in spirit though mostly of sedate and solitary habits make their appearance to swell its meagre population and impart to the wide stretches of smooth sand that fringe its shores a fleeting air of life and sober gaiety but in late September the season of the year in which I made its acquaintance its pasture lands lie desolate the rugged paths along the cliffs are seldom trodden by human foot and the sands are a desert waste on which for days together no footprint appears save that left by some passing sea bird I had been assured by my medical agent Mr Turcival that I should find the practice of which I was now taking charge an exceedingly soft billet and suitable for a studious man and certainly he had not misled me for the patients were in fact so few that I was quite concerned for my principal and rather dull for want of work Hence when my friend John Thorndyke the well known medico legal expert proposed to come down and stay with me for a weekend and perhaps a few days beyond I hailed the proposal with delight and welcomed him with open arms You certainly don't seem to be overworked Jervis he remarked as we turned out of the gate after tea on the day of his arrival for a stroll on the shore Is this a new practice or an old one in a state of senile decay Why the fact is I answered there is virtually no practice Cooper my principal has been here about six years and as he has private means he has never made any serious effort to build one up and the other man Dr Burrows being

uncommonly keen and the people very conservative Cooper has never really got his foot in However it doesn't seem to trouble him
