Education for All ,2015 The Ugly Beautiful Tale of a Stupid, Stupid, Heart Levi Cheruo Cheptora,2016 The UglyBeautiful Tale of a Stupid Stupid Heart is a riveting tale of a blind carefree yet kindest of the hearts that will amuse and anger tickle and unfortunately makes you shed a tear Set in Mount Elgon Western Kenya the book tells a story of two neighboring families that of Joram and that of Sikowo hailing from the Bok who happens to be the majority and the Ndorobo apparently a persecuted minority respectively At the core of their perennially paradoxical relationship is the ever emotive issue in our modern day Kenya land This is not a love story neither is it a story about love The UglyBeautiful Tale of a Stupid Stupid Heart is a story fictitious and real yet imaginatively recounted and recreated anew about living a lie a day at a time until death suddenly fiercely shuts its dark door of mercy and tramples one upon the vast emptiness This is especially the case when David and Wairimu apparently engaged in a forbidden passion unfortunately finds themselves in the unforgivable cruel and menacing jaws of death in Runyenjes thanks to a bloodthirsty mob that is on a killing spree and eager to avenge the deaths of their fellow tribesmen butchered earlier in Rift Valley Kisumu and the Coast David is a dynamic character whose emotions attitudes and temperaments areunfathomable After betraying his childhood sweetheart Chebet and subsequentlyabandoning her in her most needy hour to face an accusing world after an unexpectedpregnancy all by herself he discreetly falls in love with Wairimu Wairimu is an exceedinglybeautiful gorgeous exquisite marvelous and amazing young woman whose irresistiblecharms wit and affection takes his life to places unknown and finally to his grave The book explains how successive regimes helped plant a seed of animosity between the two Sabaot sub tribes watered it and pruned its branches until its fruition stage Afterdecades of blatant indecisiveness Sabaot Land Defense Force was born The bloodthirstymilitia will eventually set up a parallel government and fronted a leader of its choosing whowon the Mount Elgon constituency parliamentary seat with a landslide in the contested 2007Kenyan General Elections The book also wittingly

revisits the 2007 2008 Post Election Violence why it all had to happen why it might happen yet again and implicitly offers a pathway that might save Kenyans from an imminent recurrence Most important in detail it explains the recipes that often give birth to militias in modern day Kenya whose illegitimate act of trying to solve a legitimate issue is rarely refreshing as was the case with Sabot Land Defense Force More so the book gives you an ideal picture of how it was living through those turbulent moments when Kenyans maimed beheaded evicted forcibly circumcised robbed raped and shattered lives of fellow Kenyans It is a necessary retreat to that ugly past that we would have loved to forget as soon as last year that past that is indeed a dark chapter in our history as a country that we must draw meaningful lessons from We must thus make it our default duty reminding our seemingly ever self centered crafty and unpredictable leaders that never again should they take us back there The Ugly Beautiful Tale of a Stupid Stupid Heart is a unique nostalgic and candid manifestation of our everyday struggles challenges and hurdles in life with self and others Many a time such hurdles are direct consequences of personal decisions resulting from the usual interactions and the seemingly never ending complex relationships with our friends relatives neighbors and the ruling elite in our society
