Kenya National Bibliography Kenya National Library Service. National Reference & Bibliographic Department, 2012

Mathematics Education in East Africa Anjum Halai, Geoff Tennant, 2016-03-08 This Open Access book is a valuable resource for policymakers and practitioners as it brings insights mainly from developing countries where relatively less research activity takes place. It is also a valuable resource for courses in mathematics education in the teacher education colleges and departments of education in the sub-Saharan Africa region. In the increasingly global and technological world, mathematics is seen as a significant gatekeeper of opportunities for social and economic advancement and mobility. Hence, countries and development agencies in the broader sub-Saharan Africa region are looking towards increasing access to relevant and high quality secondary education as a lever towards economic development. Policy makers and other key decision makers in education look towards improvement in mathematics teaching and learning as a key focus in education reform. In the East Africa region, also, a number of initiatives have been taken at the national level in the respective countries to improve the quality of mathematics education. This book provides an in-depth comparative analysis of the developments and issues in mathematics education in Kenya, Tanzania, Rwanda, and Uganda and advances our understanding of the state of secondary mathematics education in East Africa.

Excel in Cre Livinus Wesonga, 2014-07-09

Excel in CRE book is written to assist both learners and teachers in Secondary Schools to prepare for the Kenya Certificate of Secondary Education. It aims at meeting the requirements of both the Kenya National Examinations Council and the Kenya Institute of Curriculum Development syllabi. It also conforms to the current setting trend in Christian Religious Education both Papers 1 and 2. It is complete with examination tips to guide learners, especially candidates, on how to tackle exams in the subject. The purpose of the book is to guide learners in identifying the areas that are examined in Paper 1 and 2 since it outlines the topics in the order in which they are examined in each of the two Papers. It aims at providing insight to the learners and to equip them with the necessary knowledge with which to relate with God themselves and with others in the society. It builds moral values in the learner. This book ends with past KCSE papers from 2006 to 2013 Papers 1 and 2 plus their marking schemes. This content should guide the learner to test his/her ability to answer KCSE questions and to even know the marking points of each question tested previously.
