## Cellular Wireless Emergency Response System

This home health care signaling system was designed to support people in their home environment. In the event of an emergency, help can be summoned at the press of a Help button and that message will be sent to Life Alert call center. In the event of fire, the system can be programmed to automatically call the Life Alert call center.

SMS commands may be sent via the 4G/LTE cellular module. Local and Remote Programming may be performed over SMS and PC connections.

The Unit's LEDs show the system status.

The Unit's rechargeable backup battery provides backup operation. When AC power is restored, the backup battery is automatically recharged.

### What's Included

Before you begin to set up your system, make sure you have all the necessary components.

- Life Alert Help Pers Unit
