Scholastic, Mona Melwani, 2003 More than 200 model narratives help teachers find the words for their report cards for every situation Contains comments for student achievement in every content area and language for addressing behavioural and social issues as well as sentence stems word lists and report card writing tips *Writing Effective Report Card Comments* Susan Shafer, 1997 At last here is a practical book that gathers time saving tips from teachers on writing effective report card comments Packed with advice this resource will help you collect assessment information easily and describe your students performances clearly and constructively You ll find handy lists of phrases that encourage children words to avoid and concise advice on how to prompt parents to support learning at home Book jacket **Comments for Report Cards and Notes Home** Audrey Clifford Lang, Carson Dellosa Publishing, 2002 Easily and effectively communicate important student information through report card comments Positive and constructive thoughts and phrases for teachers to use are included **Report Card Comments** Amanda Symonds, 2023-05-12 Are you tired of always feeling like you have to come up with new things to say about your elementary school students Are you always struggling to find good things to say These report card comments are a collection of all the things teachers might say about their students They cover everything from english writing reading comprehension to science and math skills like problem solving Save yourself hours by using and adapting our 300 phrases to suit what you want to express This book includes areas like general phrases class behavior homework classwork group work end of year evaluation goal setting and motivation You can find comments for every subject as well as positive and negative sentiment This makes it easy to find the right thing to say at any time without having to spend hours writing from scratch If you don t have a lot of time for preparing your own comments from scratch or are simply searching for new comment ideas and phrases then this ready to use report comments book is right for you Purchase our Report Card Comments book today **Well-chosen Words** Brenda Miller Power, Kelly Chandler-Olcott, 1998 Provides practical tips for teachers on writing assessments of student work including report cards and longer narratives covering beginnings and endings details and ways to save time when assessing a great number of students such as in middle or high school **Write Like Your Hands Are on Fire** Stefan Czarnecki, 2009-03-01 Finding the right words to write on report cards is not always easy For many teachers writing concise informative and comprehensive comments can be a challenge especially since time is limited The suggested comments and phrases in this book will simplify your task of successfully writing effective report card comments This book includes Suggestions hints and approaches for writing effective progress

reports A collection of effective comments that have been have organized according to subject topic and positive or negative nature Examples of what a finished comment could look like and much much more 500 Report Card Comments Dr Dheeraj Mehrotra,2023-10-11 The book 500 Report Card Comments is a collection of unique remarks and comments towards the motivation of kids They may be used as a model but the flexibility they provide is where most of their strength rests The teachers are urged to make these remarks their own by personalising them infusing them with unique insights and making them their own **Teachers' Messages for Report Cards** Marie McDonald,1971 **Charting a Course to Standards-Based Grading** Tim Westerberg,2016-08-24 What s the best way to ensure that grading policies are fair accurate and consistent across classrooms How can schools transition to a grading system that better reflects what students are actually learning Tim R Westerberg makes this journey easier by offering a continuum of options with four destinations on the road to improved grading and assessment Destination 1 critically examines such popular grading mechanisms as the zero extra credit the semester killer project averaging mixing academic performance with work ethic and refusing to accept late work and explains how they undermine objectivity and instead result in widely divergent grades for comparable work with major consequences for students Destination 2 invites educators to put assessment and grading into the larger context of a districtwide guaranteed and viable curriculum and lays out the organizational conditions and necessary steps to accomplish this goal Destination 3 brings parents and others on board with a multiyear implementation plan and community engagement strategies for introducing report cards that indicate student achievement by standards rather than or in addition to letter grades Destination 4 competency based education involves a total rethinking of the nature and structure of school leading to individualized education for all students However far they choose to go administrators and teacher leaders can turn to Charting a Course to Standards Based Grading for the quick wins and long term support and guidance they need to make the trip well worth the effort **On Your Mark** Thomas R. Guskey,2014-08-05 Create and sustain a learning environment where students thrive and stakeholders are accurately informed of student progress Clarify the purpose of grades craft a vision statement aligned with this purpose and discover research based strategies to implement effective grading and reporting practices Identify policies and practices that render grading inaccurate and understand the role grades play in students future success and opportunities Developing Standards-based Report Cards ,2010 *A Report Cards Handbook* Geoffrey D. Hirsch,1995
