Life Experience of a Self-Respecting Black Man J. Pierre, 2015-04-02 The United States of America the land of young J Pierre s dreams A country he believed that would change his life entirely a place where he could rejoice forever Packed with high hopes and loaded with ambition and optimism he migrated to this place he considers Paradise However not too long after he sets foot in this country he was forced to face reality and deal with the unexpected J Pierre narrates his story of the challenges he has encountered in this foreign land the bouts he has with law enforcers and the people who deemed to torment him because of the mere color of his skin As he was confronted with these issues J Pierre proves that nothing can change his principles and ideals that an understanding of the human nature can help make things better As he recounts his real life experiences in this country J Pierre will make you see what he has come to understand about people regardless of the color of our skin and how such misconceptions can be resolved
