Marketing Management 13th Edition By:

Marketing Management Philip Kotler, Kevin Lane Keller, 2009 This is the 13th edition of Marketing Management which preserves the strengths of previous editions while introducing new material and structure to further enhance learning

Kotler On Marketing Philip Kotler, 1999-09-29 Philip Kotler's name is synonymous with marketing. His textbooks have sold more than 3 million copies in 20 languages and are read as the marketing gospel in 58 countries. Now Kotler on Marketing offers his long-awaited essential guide to marketing for managers, freshly written based on his phenomenally successful worldwide lectures on marketing for the new millennium. Through Kotler's profound insights, you will quickly update your skills and knowledge of the new challenges and opportunities posed by hypercompetition, globalization, and the Internet. Here you will discover the latest thinking concisely captured in eminently readable prose on such hot new fields as database marketing, relationship marketing, high-tech marketing, global marketing, and marketing on the Internet. Here too you will find Kotler's savvy advice which has so well served such corporate clients as AT&T, General Electric, Ford, IBM, Michelin, Merck, DuPont, and Bank of America. Perhaps most important, Kotler on Marketing can be read as a penetrating book-length discourse on the 14 questions asked most frequently by managers during the 20-year history of Kotler's worldwide lectures. You will gain a new understanding of such age-old conundrums as how to select the right market segments or how to compete against lower-price competitors. You will find a wealth of cutting-edge strategies and tactics that can be applied immediately to such 21st-century challenges as reducing the enormous cost of customer acquisition and keeping current customers loyal. If your marketing strategy isn't working, Kotler's treasury of revelations offers hundreds of ideas for revitalizing it. Spend a few hours today with the world's best-known marketer and improve your marketing performance tomorrow.

Marketing Management in China Philip Kotler, Kevin Lane Keller, Taihong Lu, 2009 This adaptation provides hard-to-find and well-researched China cases that offer insights while covering a wide variety of contexts spanning international companies operating in China to Chinese companies that are beginning to venture overseas

Marketing Management Philip Kotler, Kevin Keller, 2009 This is the 13th edition of Marketing Management which preserves the strengths of previous editions while introducing new material and structure to further enhance learning
