## Life S Like That:

*Life's Journey Through The Bumps* Linda Stilson, 2014-07-16 Life s Journey through the Bumps is a spiritual and inspirational journey that the author has shared with hope that it helps others traveling that long journey that loss creates Loss is a brokenness that only those that have suffered a loss can relate to It is a long journey on a winding road with bumps and turns Expressing grief through poetry has been her therapeutic way to help herself but also to reach out to others online and within the community One can relate to the stages of grief and loss that she has encountered and how she dealt with those situations Life is like a winding road with no end in sight and many bumps along the way May you find strength in your journey and find peace in your heart Life is full of challenges that we alone must face Times when we will struggle to wake to face the day Times that faith and courage is tested our pain to erase Times we must accept the bumps will go away We can t change the tragic events that occurred in our past What happened was not our doing nor our ability to be undone We can only face life strongly and not let depression last Help is available as you are not alone reach out to someone excerpt from Just Around the Bend
