Jerky Seceret Recipe:

The Secret to Crafting Ground Beef Jerky Recipes Brian Gary Forbes, 2021-02-14 Great recipes are rarely nailed on the first try Instead they are developed over several generations of making the same recipe with minor changes to the ingredients In this way a recipe is taken from average to outstanding by changing a couple small details each time and making the recipe again until it s perfect Thankfully most recipes only need to be made a couple or a few times to get them dialed in and that s all part of the fun of crafting your own ground beef jerky recipes Coming up I ll show you how to take a recipe that you like and make changes to the ingredients to highlight what you would like to taste more and reduce what you want to taste less You ll learn how to make a recipe that is just the way you like it without compromise or having to settle for something that isn t how you like it Once you know the process the rest of the book is filled with log sheets where you can write out your recipes as well as the changes and save them as your own personal beef jerky cookbook Not only will it help you make better recipes it will also give you a place to safely store them so as you create your custom tailored recipes you wont have to worry about losing them There is room for 100 recipes of your own with space for up to five generations of each recipe
