Dear Dealer,

A summary of the Program features is shown on the separate sheet I. The repair procedures regarding this cylinder head gasket failure and a copy of the letter being sent to customers are shown on the separate sheets II and III, respectively.

We request your assistance to carry out this Program, and also, please make certain that your parts and service personnel are familiar with the details of the Program so that they will be able to respond to customer's inquiries.

All questions that you have should be directed to your District Service Manager.
