

Mental Health Study Guide

PTSD - rape and shooting studies have shown that victims of T.D. are at increased risk of suicide. The highest priority is to determine if the client has any intentions or thoughts of self harm.

✓ Obsessive Compulsive Disorder

Crisis Intervention

Those in crisis need to be guided in solving problems, so instructing the person in crisis what needs to be made is the best response for the nurse to make.

✓ Chronic Alcoholism

In crisis intervention, the nurse should facilitate the client in finding possible solutions.

✓ Schizophrenia

OCD - preop client

The behaviours exhibited by a client with obsessive-compulsive personality disorder are maladaptive responses to anxiety, and may worsen during periods of high anxiety.

✓ Hallucinations

✓ Delusions

encouraging the client to express concerns may help to reduce their anxiety, therefore reducing some of their maladaptive behaviour

Exploring More Signature Pedagogies Nancy L. Chick, Aeron Haynie, Regan A. R. Gurung, 2023-07-03 What is distinctive about the ways specific disciplines are traditionally taught and what kinds of learning do they promote Do they inspire the habits of the discipline itself or do they inadvertently contradict or ignore those disciplines By analyzing assumptions about often unexamined teaching practices their history and relevance in contemporary learning contexts this book offers teachers a fresh way to both think about their impact on students and explore more effective ways to engage students in authentic habits and practices This companion volume to *Exploring Signature Pedagogies* covers disciplines not addressed in the earlier volume and further expands the scope of inquiry by interrogating the teaching methods in interdisciplinary fields and

a number of professions critically returning to Lee S Shulman's origins of the concept of signature pedagogies This volume also differs from the first by including authors from across the United States as well as Ireland and Australia The first section examines the signature pedagogies in the humanities and fine arts fields of philosophy foreign language instruction communication art and design and arts entrepreneurship The second section describes signature pedagogies in the social and natural sciences political science economics and chemistry Section three highlights the interdisciplinary fields of Ignatian pedagogy women's studies and disability studies and the book concludes with four chapters on professional pedagogies nursing occupational therapy social work and teacher education that illustrate how these pedagogies change as the social context changes as their knowledge base expands or as online delivery of instruction increases
