**Memes in Frame-Semantic Perspective** Niels Brause, 2017-03-07 Bachelor Thesis from the year 2016 in the subject English Language and Literature Studies Linguistics grade 1 3 University of Duisburg Essen Department of Anglophone Studies language English abstract One cannot escape them because they are everywhere There is scarcely a day without one coming across them They are a humorous picture a witty message or a funny video you find on the internet They are in our newsfeed on our message boards or in personal messages from our friends These sources of entertainment seem to be by now an important element of today s web society and there is a huge number of image boards like 9gag com or reddit com which have no other purpose than satisfying our needs for these sources of entertainment Even a growing number of newspapers have started to include this type of content in their online platforms A term that is often used to describe this accumulation of different visual entities is the term memes but this term is vague and ambiguous and it it does not specifically say what kind of phenomena are included in it This bachelor thesis is an attempt to establish these phenomena labelled as memes as valuable objects for linguistic studies It will glance at several linguistic theories and check their

relevance for analysing image macros as representatives for memes in general Finally it will analyse image macros by using the frame semantic framework thus integrating the former accomplished insights in one theoretic framework with only a few central terms This will support the thesis that frame semantics is capable of describing the patterns of encyclopaedic knowledge needed in order to understand complex bimodal entities      *Brilliant Memes Collection* Chubby Penguin,2017-11-24 Brilliant Memes Collection 138 Hilarious Memes Approved With Time BOOK 1 Memes The Newest Funniest Memes Will Make You Laugh Out Loud You can search the world over for some of the funniest memes that will make you laugh out loud but you don t have to go any further than this book because it is absolutely loaded with some of the best You will laugh BOOK 2 MEMES 50 Memes That Will Make You Laugh Every Time This book contains 50 funny memes that poke fun at numerous aspects of daily life People who make memes with the intent of sending short messages that a wide range of people can relate to and laugh at There are certain experiences in life that are universal to all people no matter what religion ethnic group or country they are associated with And that is what is so wonderful about memes they unite people everywhere with their sharp insight into human nature and their humorous way of expressing those insights Some memes are photos while others are simple drawings or a combination of the two This book contains only photo memes with short funny texts in English that are usually simple enough for most people to understand even if English is not their native language BOOK 3 Memes 55 Hilarious Memes That Rocked The Internet Memes Our world today is full of them Those fantastic ever fitting pictures that apply to such a variety of situations you can t help but roll on the floor laughing This book is full of the best of the best of these memes Showcasing the finest and funniest of what the internet has to offer this is a wonderful collection that reveals some of the cleverest minds and the greatest commentary on the best situations You will be laughing until the tears are rolling down your cheeks and always have the best commentary on whatever situation you find yourself in Read on to discover some of the best and funniest memes that are on the internet today and never be without something to say no matter what life is throwing your way      **The Funniest Memes of 2016** Phil Roberts,2017-01-09 The Funniest Memes of 2016 This eBook is designed to make you smile with a roundup of amazing meme s to suit everyone s humour They include meme s with animals text fails you don t say forever alone and many more including hilarious subtitled movie scenes and witty screen captures All of these in one place is great for perking you up on a bad day or making someone else happy Using modern culture as well as nature here are some of the best and funniest meme s around that have been compiled together for your enjoyment No other eBook will contain this selection and they are ready for you to enjoy
