Memers Look At These Memes Now Dudes English Edition

S Baum

Memes Look At These Memes Now Dudes English Edition:

Memes of Translation Andrew Chesterman, 1997-01-01 Memes of Translation is a search for coherence in translation theory based on the notion of Memes ideas that spread develop and replicate like genes The author explores a wide range of ideas on translation mapping the meme pool of translation theory with chapters on translation history norms strategies assessment ethics and translator training The aim of the book is to search for a perspective from which the immense variety of ideas about translation can be related The unifying thread is the philosophy of Karl Popper The book proposes the beginnings of a Popperian theory of translation based on the fundamental concepts of norms strategies and values A key idea is that a translation itself is a theory or hypothesis concerning the source text This hypothesis is then subjected to testing refinement and perhaps even rejection just like any other hypothesis *Real Account* Okushou, Shizumu Watanabe, 2016
