Swindoll, 1976 *Daniel* Michael Lewis, 2008 Paperbound Books in Print , 1992 *Book of Daniel Study Guide* Mike Bickle, 2014-02-24 Study Guide on the Book of Daniel **The Walk with the Word Daniel Study Guide** D E Isom, 2020-11-21 This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one s life Formatted in a question and answer format it facilitates the process of observation what does the text say interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author s opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation of first learning Daniel then the Olivet Discourse and finally

on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime *Book of Daniel: Study Guide* Maybelle Barron,2018-07-04 This bible study guide comes with chapter by chapter study questions to help you better understand and relate to scripture **The Daniel Prayer Bible Study Guide plus Streaming Video, Updated Edition** Anne Graham Lotz,2024-07-09 Do you long for a more powerful prayer life Do you grow discouraged when your prayers don t seem to change anything or allow you to hear God s voice In this six session video Bible study workshop video access included Anne Graham Lotz presents a biblical approach to prayer that will help you Learn to listen for God s voice Know Him in a personal relationship and Communicate with Him through His Word By taking a close look at the life of Daniel Anne unpacks the prayer he prayed in Daniel 9 Following the pattern of Daniel s original prayer as a model for how we speak to our Creator she helps us develop a more meaningful and powerful prayer life For an entire generation Daniel s people had been held in captivity and separated from their homeland But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years he claimed that promise and cried out for to the Lord to bring it to pass Daniel s example of praying God s Word back to Him is what Anne calls reversed thunder In this six session study Anne explains how we can reverse the thunder until Heaven is moved and we see real change in our own lives and the lives of those we re praying for This study guide has everything you need for a full Bible study experience including The study guide itself with video notes personal study and group discussion sections and a guide to best practices for leading a group An individual access to stream all six video sessions online DVD also available separately This guide includes weekly Bible study readings group activities and space for writing your own prayers It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time such as a workplace lunchtime setting Sessions and run times include Bible Study Workshop 48 00 Preparing for Prayer 17 00 Prompting in Prayer 22 30 Pleading in Prayer 25 00 Prevailing in Prayer 18 00 The Battle in Prayer 25 00 Streaming video access code included Access code subject to expiration after 12 31 2029 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside **Children's Books in Print, 2007** ,2006 **The Book of Daniel** Lee Martin,2018-07-23 Through the

study of the book of Daniel we learn how to trust God in the midst of challenging times The first half of Daniel contains stories about Daniel and his Hebrew friends in which the kings of Babylon threaten to bring the faithful Jews to an end In each case however God overrules the human rulers with amazing interventions that protect the Hebrews The second half of Daniel contains visions of the end that unveil the deeper dimensions of God's present and future sovereign rule The visions show that just as God ruled over the life and times of Daniel God continues to rule over every earthly kingdom Ultimately God will bring all human kingdoms to an end and He will establish His eternal kingdom with Jesus the Messiah as king Daniel's visions assure us that God is in control and that we can trust in Him The visions of the end give us vibrant hope so that we can fulfill our mission as faithful witnesses of Jesus Christ until He returns Even in the face of difficult challenges and persecution we can live faithfully in the light of the end This study guide will lead you through an easy six step process of inductive Bible study 1 Reading for First Impressions 2 Reading for Discovering the Facts 3 Marking the Text 4 Reading for Transformation 5 Reading for Interpretation and 6 Hearing and Obeying God's Word Through these six steps you will be guided into deeper discoveries that will enrich your relationship with God and strengthen your faith *The Episcopalian*
