[The Year That Broke Politics](#) Luke A. Nichter, 2023-08-01 The unknown story of the election that set the tone for today s fractured politics A fresh authoritative analysis of a pivotal election year Kirkus Reviews The 1968 presidential race was a contentious battle between vice president Hubert Humphrey Republican Richard Nixon and former Alabama governor George Wallace The United States was reeling from the assassinations of Martin Luther King Jr and Robert F Kennedy and was bitterly divided on the Vietnam War and domestic issues including civil rights and rising crime Drawing on previously unexamined archives and numerous interviews Luke A Nichter upends the conventional understanding of the campaign Nichter chronicles how the evangelist Billy Graham met with Johnson after the president s attempt to reenter the race was stymied by his own party and offered him a deal Nixon if elected would continue Johnson s Vietnam War policy and also not oppose his Great Society if Johnson would soften his support for Humphrey Johnson agreed Nichter also shows that Johnson was far more active in the campaign than has previously been described that Humphrey s resurgence in October had nothing to do with his changing his position
