Spark of Desire Madelene Martin, 2013-11-16 Every hundred years a king's daughter is sent to fulfil a pact with the dragons Princess Faith has been raised with one purpose in life on her eighteenth birthday she will be tied to a stake on a hill and left as a tribute to the dragons She will breed with them helping to replenish their race But headstrong Faith hasn't quite accepted the idea After an ill-fated escape attempt she is caught by a dragon in his human form Inaeth her intended mate In Inaeth's lair she must learn her lesson and her place What she doesn't expect is the desire he awakens in her Warning This 10 000 word story contains explicit sex scenes For adults only Excerpt Faith's face grew hot with embarrassment and shame and she looked away to stare at the ground The dragon man came closer until he was standing over her She cringed as he reached out and laid a hand on her head He stroked her hair once and she just had time to wonder what he was doing before he wound his fingers in the dark tresses Then he bent lower and pulled her hair with a painful yank so that she was forced to get up onto her knees His hand still entwined he positioned her head so that she had to look at him She let out a pained whimper the fear taking hold again Her heart thudded in her chest as she stared into his handsome face The dragon's eyes were still fixed intently on hers his expression mild Her lips fell open and she was about to speak to plead or curse when he spoke Now rebellious one He purred You see that I can give you pleasure but I am quite willing to cause you pain if I have to You are mine The sooner you learn that the better it will be for you He seemed to wait then staring at her patiently He expected a response Faith swallowed hard and nodded A final tear squeezed from the corner of her eye and slid down her cheek and she knew she could cry no more All hope had fled leaving her feeling numb and empty She just wished that having her acquiescence he might leave her alone for a while A drastic change came over his face then The glowing in his eyes faded leaving them placid and dark His brow smoothed and his expression became almost tender His hand loosened its hold on her hair and suddenly he was caressing her again Then the dragon smiled his full lips tilting up at the edges The smile transformed his face He was really incredibly handsome No handsome was not the right word He was beautiful Though her heart still beat hard something in her shifted then A queer thrill that started in her belly and settled lower in her sex Faith had to look away angry at herself What is your name He asked her Faith She murmured He made a pleased sound stroking her hair lifting an end and inspecting it I am Inaeth I will be your mate for life if you please me And if I don't please you She dared her voice little more than a whisper
