Oloka-Onyango,Nicolas van de Walle,2014-11-10 This book is an anthology of essays contributing new scholarship to the contemporary discourse on the concept of aid It provides an interdisciplinary investigation of the role of aid in African development compiling the work of historians political scientists legal scholars and economists to examine where aid has failed and to offer new perspectives on how aid can be made more effective Questions regarding the effectiveness of aid are addressed here using specific case studies The question of ownership is examined in the context of two debates 1 to what extent should aid be designed by the recipient country itself and 2 should aid focus on need or performance That is should donors direct aid to the poorest countries regardless of their policies and governance or should aid reward countries for doing the right thing The future of aid is also addressed should aid continue to be a part of the development agenda for countries in sub Saharan Africa If so how much and what type of aid is needed and how it can be made most effective The major criticism against aid is that it cripples the recipient country s economic growth by turning it into a passive receiver in addition it has been noted that aid is mostly supply driven depending upon donors rather than the actual needs of recipients For this reason aid may not meet the goals for which it was intended To meet the needs of the communities they want to help donors should work through consultation and a measure of recipient ownership Donors need to understand context to protect human rights and to be guided by principles of social and environmental justice Other suggested strategies for making aid more effective include peer review self assessment the empowerment of women encouraging accountability investing in agriculture helping smallholder subsistence farmers introducing ethical and professional standards for civil service and raising the competence of civil servants      **Kenya National Assembly Official Record (Hansard)** ,1981-03-10 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      **Kenya National Assembly Official Record (Hansard)** ,1981-03-10 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      *Kenya National Assembly Official Record (Hansard)* ,2008-11-05 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      **Kenya National Assembly Official Record (Hansard)** ,1972-09-12 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      Improving Family Life
