Mad About You:

Mad About You Dayna Quince, 2018-10-09 Miss Madeline Prescott's father issues an ultimatum: marry the suitor of his choice, a man thrice her age, or find her own husband by month's end. Yet men are not exactly lining up to court the girl known as Mad Maddie. After nursing his wounded heart for more than a year, Lord Jonathan Flynn, Viscount Rigsby, reluctantly returns to society only to be cornered by Mad Maddie with a ridiculous request: a marriage of convenience. Who knew pretending to fall in love could lead to the real thing? Attraction and passion spark genuine feelings, and Jonathan begins to hope he'll find love after all. But their path to happily ever after isn't smooth. Maddie's controlling father may prove to be a barrier that even the strongest love cannot overcome. If you like Steamy Regency Romance, rogues, strong heroines, and scintillating love scenes, then you'll love Dayna Quince's Historical Romance novels. Romance Awaits. Download now. **Mad About You** Anna Premoli, 2019-11-14 Giada Borghi has always known exactly what she wants. Graduating with honours, she checks an internship at a prestigious consulting company in Milan. Check: Ariberto Castelli, with his pretty face and unironically monogrammed shirts. Definitely not. Sure, they may have shared a kiss in a nightclub once upon a time, but that doesn't change anything. Boys like Ariberto and girls like Giada just don't belong together. But working so closely with a handsome Italian is bound to turn any girl's head, especially as she realises there's more to Ariberto than meets the eye. The summer days are long and hot; can Giada make it through with her head and heart intact? Mad about You Danny Jacobson, Paul Reiser, 1992 *Friends Behind the Scenes* Dennis Bjorklund, 2023-10-02 Written by an authoritative expert, *Friends Behind the Scenes: Backstage Pass to the Series A Comprehensive History* is the most in-depth book ever written about the series. It provides a unique insider perspective and dishes the dirt on never-before-revealed secrets, such as outing the cast member who was nearly fired from the series TWICE. *Friends Behind the Scenes* commences with the showrunners' backstory and a comprehensive recounting of the series concept, the pitch presented to NBC, and the network's objections. Fans get a confidant's look into the TV industry and the trio's struggle to protect their pilot concept and creative vision. The journey also uncovers early script drafts with jaw-dropping disclosures about the main characters: there was a highly promiscuous female, an arrogant self-centered jerk from Chicago, and a homosexual. The next chapters immerse the sitcom enthusiast into the laborious casting process with amazing revelations, such as the two costars who turned down guaranteed roles and a once-rejected cast member who was only hired because NBC insisted. The likelihood of all six actors being chosen for the pilot was astronomically minuscule, especially since two of the costars were committed to other projects and a handful of famous actors were offered costarring roles in the series. *Friends Behind the Scenes* unravels the mysteries behind shooting the pilot, how a test audience's negative report nearly capsized the series, and what finally convinced NBC to gamble on adding the show to its fall schedule. The following pages methodically outline the showrunners' diligent efforts to assemble an incomparable creative team and hire brilliant wardrobe, hair, and makeup specialists who redefined 1990s fashion. Of course, TV junkies

cannot forget the memorable title sequence with all the fountain frivolity and the mind numbing theme song that captivated the world Astonishingly the original intro was completely different with an up tempo singalong by a famous rock band that refused to license the track because the lead singer despised the hit single Avid enthusiasts will discover how The Rembrandts were eventually hired and why they did not want their name attached to the bubblegum pop ditty Readers are transported backstage to witness how episodes were produced and how guest stars were chosen with dazzling insight into the ones that got away including a famous pop singer three iconic movie stars and a rock legend In addition tome travelers will get an insider scoop into the world of stand ins body doubles and famous extras who appeared on the show and marvel at the history of sets how they were designed and decorated and even the story behind famous props and set dressings like the peephole picture frame and burnt orange sofa Further interviews unearth the private salary negotiations that eventually made the cast the highest paid actors on television Actors confessions shed light on how success impacted their lives and what made the sextet decide to call it quits after ten seasons Friends disciples will be privy to the soundstage hysteria during the final days of shooting and the epochal send off by NBC while sitcom purists will be enraptured by the historical overview of the show s evolution from struggling newbie to ratings giant en route to its unprecedented success in syndication and streaming Finally the remaining chapters detail the societal impact of Friends and offer numerous trivia tidbits that have evaded most Friends aficionados for decades *Scribner's Magazine* ,1902 **Ireland** Francis Hackett,1919
