MADAME BOVARY (Illustrated) Barry,2019-12-03 This new bilingual edition is translated from French by Eleanor Marx Aveling The French version is illustrated by Albert Fouri 1885 Madame Bovary full French title Madame Bovary Moeurs de province is the debut novel of French writer Gustave Flaubert published in 1856 The eponymous character lives beyond her means in order to escape the banalities and emptiness of provincial life When the novel was first serialized in La Revue de Paris between 1 October 1856 and 15 December 1856 public prosecutors attacked the novel for obscenity The resulting trial in January 1857 made the story notorious After Flaubert s acquittal on 7 February 1857 Madame Bovary became a bestseller in April 1857 when it was published in two volumes A seminal work of literary realism the novel is now considered Flaubert s masterpiece and one of the most influential literary works in history The British critic James Wood writes Flaubert

established for good or ill what most readers think of as modern realist narration and his influence is almost too familiar to be visible Gustave Flaubert 1821 1880 French writer counted among the greatest Western novelists He is known especially for his first published novel Madame Bovary and for his scrupulous devotion to his art and style **Madame Bovary**

(Illustrated) Gustave Flaubert,2017-08-19 For daring to peer into the heart of an adulteress and enumerate its contents with profound dispassion the author of Madame Bovary was tried for offenses against morality and religion What shocks us today about Flaubert s devastatingly realized tale of a young woman destroyed by the reckless pursuit of her romantic dreams is its pure artistry the poise of its narrative structure the opulence of its prose marvelously captured in the English translation of Francis Steegmuller and its creation of a world whose minor figures are as vital as its doomed heroine In reading Madame Bovary one experiences a work that remains genuinely revolutionary almost a century and a half after its creation Madame Bovary - Illustrated Edition Gustave Flaubert,2017-05-19 Madame Bovary tells the tragic story of the

romantic but empty headed Emma Rouault When Emma marries Charles Bovary she imagines she will pass into the life of luxury and passion that she reads about in sentimental novels and women s magazines But Charles is an ordinary country doctor and provincial life is very different from the romantic excitement for which she yearns In her quest to realize her dreams she takes a lover Rodolphe and begins a devastating spiral into deceit and despair And Flaubert captures every step of this catastrophe with sharp eyed detail and a wonderfully subtle understanding of human emotions Feedbooks com
