*Dog Groomer's Manual* Sue Gould, 2014-03-31 The Dog Groomer's Manual is the definitive reference book covering all aspects of the work of the dog groomer. This highly illustrated book will help owners, students and professional dog groomers develop their skills and knowledge. It will enable them to adapt the principles of grooming appropriately based on a systematic approach to understanding and observing the physical appearance, the nature, the lifestyle and the behaviour of the dog. The Manual covers the following: SCIENCE: The veterinary principles of anatomy and physiology that must inform good grooming practice; pre-grooming health checks; common parasites and skin diseases; infectious and zoonotic diseases; PRACTICE: Running a grooming business and the diverse standards of safety, hygiene and professionalism required in the grooming workshop; First Aid and what to do in emergency situations; handling and restraining the dog safely; grooming equipment and tools; ART: Grooming out the coat, bathing and drying, clipping, scissoring, hand stripping and plucking, styling; preventative healthcare products. Referenced to reliable sources of information and adhering to the requirements of City Guilds, British Dog Grooming Association and nationally recognized dog grooming qualifications. The Dog Groomer's Manual is the perfect companion for dog groomers around the world seeking to attain these internationally recognized awards. Superbly illustrated with 1000 colour photographs.

One hundred years later it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel from seaman to admiral. New technology is artfully blended with ancient heritage; facts and figures are augmented by helpful advice and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century. Updated throughout, the book provides the latest Navy ratings, uniforms, ships, aircraft and weapons, as well as current Navy policies on hazing, fraternization, education and physical fitness, and a completely new chapter explaining the Navy's mission in terms of its rich heritage.
