Marked Kayci Morgan, Taiver lived a simple but happy life as he studied under his mother to become a healer But when nobles came to his village for tribute he offered himself up to protect his family Now a branded and degraded slave Taiver must win the affections of his cold and aloof owner before he is discarded He must please his Master as if his life depended on it because it does Except aiver sat on the river bank watching Yisa tie a worm onto a fishhook He shook his head at her We ll never catch anything if you keep feeding the fish for free dear sister She turned to him her cheeks reddening I m sorry I just can t bear to impale it He took the rod from her and began putting the worm on properly No one could ever accuse you of not having a gentle heart But how is drowning the worm any better than putting a hook through it It seems like the latter would be a more merciful fate Yisa laid her head on her brother s shoulder She tilted her head up feigning a pout You mean the little guy doesn t know how to swim Taiver s head fell back and his shoulders shook with laughter which jostled Yisa off him He handed her the rod back and for a while they were silent listening to the sound of the river flowing the small creatures of the woods chirping and scurrying about until Taiver finally broke the silence Yisa Yes brother Mother asked me to speak with you Yisa pulled her long auburn hair over one shoulder and sighed What have I done to displease mother now Taiver watched the movement and knew what was to come she d start braiding whenever she was upset or unhappy she worked with her hands That habit was probably what made her such a magnificent weaver everyone in town already went to her for the best cloth Any man she picked would be lucky to have a wife so talented It s not what you ve done it s what you re

not doing Mother is afraid you ll become a spinster I m only nineteen Yisa exclaimed I know That s what I said But mother pointed out that all the other girls your age started courting two years ago and pretty soon the Brandson girls will be looking for men and at that point there may not be a single man left in town at least not one you d want to marry Mr Brandson was a farmer with five daughters He was highly motivated to marry them off as soon as possible Yisa took the strands of hair and braided them deftly when she reached the end she took it down and began again Well if I haven t met anyone I like what am I supposed to do Taiver shrugged You haven t really given anyone a chance what about Teddy The butcher s son He s fat and he smells funny But he s a really nice guy and he has a good sense of humor Yisa looked at him incredulously Okay how about the blacksmith He s perfectly fit though I ve never stopped to check his smell He s old He s in his thirties Which is old Some would call it established Well I call it old Taiver laughed I give up I ll inform mother of your plans never to leave the nest Yisa made a face When you put it like that it makes me want to propose to the next man that greets me Now that I think of it you re three minutes older than me why isn t mother jamming prospective wives down your throat Eh it s different for men Plus in a few years I ll have a bunch of pretty Brandson girls to choose from Yisa slapped his arm and stood up Fine I ve heard your arguments Can we go back to the villiage now or do I have to keep pretending that I enjoy fishing Taiver followed her cue and began to gather their things Yes let s head home We can tell mother all about your new courtship to Oh shoosh you Osushu I don t think I ve met him Don t tell me you are marrying someone from the city mother would never forgive you Yisa laughed When they reached the center of the village they immediately stopped in their tracks There were two men on horseback noblemen The man sitting on the lead horse had short golden hair and tan skin He wore black leathers that blended in with the jet black stallion on which he was perched The other noble had a strong build and raven color hair with strands of silver at his temple He smiled lecherously at the maidens of the village as they stood on exhibit Not far off stood a band of soldiers well armed and ready for any trouble Taiver knew instantly who was on the black horse It was Lord Aric Bannister he was one of the three lords that controlled all of Talencia Lord Aric had complete dominion over all the lands west of the great city of Kes to the mountains of Kashar and from the way every unmarried girl stood before his horse staring at their feet while their parents stood nearby wringing their hands he had come for tribute He turned and saw Yisa without hesitation he pointed and said I ll take that one Taiver saw the guards coming towards Yisa and jumped in front of her No wait Aric held up his hand and his guards stopped He looked at Taiver waiting for him to speak Taiver couldn t believe the lord actually waited he had nothing resembling a plan He turned to Yisa on her face was a combination of terror and pain unlike anything he d ever seen Without even thinking he blurted out Take me instead Now all eyes in the village were on him he scanned the group his mother was not there She often went to neighboring villages to look after the sick She d come home to find him gone he wouldn t even get to say goodbye Aric laughed with surprise then speaking to him as if he were an idiot he asked You do know for what reason I m taking her correct Taiver immediately got the mental image of his sister sobbing

as she was being violated by noblemen and passed to soldiers when they were finished with her The thought enraged him I have a relatively good idea yes And you want to take her place Aric was still speaking slowly not sure if Taiver fully understood what he was asking No I don t want to be taken But if it s between me and her I d rather you take me I m her brother I m meant to protect her Aric turned to his companion Taiver would later learn the dark haired man was Raymor Greenshire Baron of the Crescent Moon He and several other noblemen each managed parts of Lord Aric s province and more importantly they were good friends Raymor appraised Taiver then said You said you were in the mood for sweet asking for enslavement to spare his sister is certainly sweet Aric seemed to still be considering it so Raymor added And you said you were looking for something different pointing towards Taiver He s definitely different from your usual Aric considered their advice for a moment and then nodded Okay you get your wish I ll take you instead of your sister Taiver quickly hugged his sister goodbye and whispered in her ear Never forget I love you and tell mother I love her too He gave a silent prayer to the gods that this not be the last time he d see her Then he turned to Aric who pulled him onto the back of his horse He sat behind him on the saddle as they turned to ride out of the town He waved to everyone and then buried his face against Aric s back He didn t want his people to see him cry
