Investigative Analysis Section, 1999 The Lazarus Files Matthew McGough, 2019-04-30 A deeply reported riveting account of a cold case murder in Los Angeles unsolved until DNA evidence implicated a shocking suspect a female detective within the LAPD's own ranks On February 24 1986 29 year old newlywed Sherri Rasmussen was murdered in the home she shared with her husband John The crime scene suggested a ferocious struggle and police initially assumed it was a burglary gone awry Before her death Sherri had confided to her parents that an ex girlfriend of John's a Los Angeles police officer had threatened her The Rasmussens urged the LAPD to investigate the ex girlfriend but the original detectives only pursued burglary suspects and the case went cold DNA analysis did not exist when Sherri was murdered Decades later a swab from a bite mark on Sherri's arm revealed her killer was in fact female not male A DNA match led to the arrest and conviction of veteran LAPD Detective Stephanie Lazarus John's onetime girlfriend The Lazarus Files delivers the visceral experience of being inside a real life murder mystery McGough reconstructs the lives of Sherri John and Stephanie the love triangle that led to Sherri's murder and the homicide investigation that followed Was Stephanie protected by her fellow officers What did the LAPD know and when did they know it Are there other LAPD cold cases with a police connection that remain unsolved **ABA/BNA Lawyers' Manual on Professional Conduct** , 1984 CAMDEN Due to budgetary constraints the print version of this title has been cancelled Please consult a reference librarian for more information **Labor Relations Reference Manual** , 1940 **Military Rules of Evidence Manual** Stephen A. reorganization of the New York City Transit Police and later the 35 000 strong New York Police Department His efforts resulted in a dramatic decrease in crime yet introduced highly controversial policing strategies In 2002 when Bratton was named the LAPD s new chief he implemented the lessons learned in New York to change a department that previously had been impervious to reform Blue ends in 2015 with the LAPD on its unfinished road to reform as events in Los Angeles New York Baltimore and Ferguson Missouri raise alarms about the very strategies Bratton pioneered and about aggressive racial profiling and the militarization of police departments throughout the United States Domanick tells his story through the lives of the people who lived it Along with Bratton he introduces William Parker the legendary LAPD police chief Tom Bradley the first black mayor of Los Angeles and Charlie Beck the hard nosed ex gang cop who replaced Bratton as LAPD chief The result is both intimate and expansive a gripping narrative that asks big questions about what constitutes good and bad policing and how best to prevent crime control police abuse and ease tensions between the police and the powerless Blue is not only a page turning read but an essential addition to our scholarship Adapted from book jacket Stress Inside Police Departments Jon Shane,2019-12-06 This book offers researchers police practitioners and policymakers a platform for organizational reform and an understanding of how the police organization creates stress which contributes to reduced officer performance This book based on an in depth study exploring the relationship between perceived organizational stressors and police performance indicates which features of the police organization generate the most stress affecting performance and provides a model of organizational stress that applies to police agencies While much stress research portrays the operation of policing as the greatest source of contention among officers this research shows the ever present rigid hierarchical design of the police agency to be contributing factor of stress that affects performance Ideal for scholars police personnel and policymakers who are interested in how the police organization contributes to lower officer performance this book has implications for policing agencies in the United States and worldwide *American Voices Instructor's Manual* Dolores LaGuardia,Hans Paul Guth,Karen Harrington,1997-12 *L.A.
