When using browning dishes:

■ Always use oven gloves when handling the browning dish to avoid burns.

■ Never place a browning dish directly on to a table or worksurface. Instead use a suitable heat-resistant mat, grid or board to protect the work surface or table, which could otherwise be heat-marked.

■ Use browning dishes in a microwave oven only, or as a serving dish. In a conventional oven the special glaze would suffer damage.

Disposal of old machines / appliances

■ Before discarding an old machine or appliance switch off and disconnect it from the power supply. Cut off and render any plug useless.

Cut off the cable directly behind the machine to prevent misuse.

The manufacturer cannot be held liable for damage caused by non-compliance with safety instructions.
