Je Peux Teacutemoigner Paroles Dune Survivante:

L'alliance et l'exil Ariane Kalfa, 2004-06-01 Penser le signifiant juif c'est poser la question du Divin simultanément celle de l'histoire D'un divin de la promesse d'avenir et de l'antisémitisme Comment accueillir l'idée que le peuple juif est celui de la révélation sinitique l'héritier des promesses divines au cours des générations bibliques et lire l'antisémitisme sans perdre la raison Le souci de questionner le vécu juif traverse ce livre Or interroger l'impossibilité de ce vécu c'est noncer une Alliance avec le Divin qui se maintient en exil par-delà et au sein même de l'histoire

Corps et témoignage Claire Perrin (dir.), 2006 Le corps n'est pas le simple support de la parole Il est lui-même tout un point de vue qu'il peut se passer du langage articulé dans le cadre d'un témoignage sans recourir à la danse de création par exemple Si une place centrale est traditionnellement accordée au récit dans les travaux sur le témoignage cet ouvrage s'intéresse prioritairement la présence du témoin et du receveur en tant que tels incorporés Le témoignage n'opère que s'il transforme le receveur en témoin du témoin ce qui engage une combinatoire des corps Il devient avant tout le résultat d'une rencontre et non l'œuvre d'une identité isolée la combinatoire des corps et non l'expression d'un seul

Traumatisme et mémoire culturelle Silke Segler-Meißner, Isabella von Treskow, 2023-12-04 In the 20th century and beyond world wars independence and decolonization conflicts the Holocaust exile migration terrorism and other forms of collective violence trigger traumas that are mediated by text and image commemorative rites music the press museums The notion of trauma itself evolves with these events The analysis of these processes and their mediatization is preceded by an introduction that sets out the conceptual framework of the volume The chapters present the current state of research and offer original perspectives on the relationship between trauma and cultural memory

Spirale, 2001 **Vous n'aurez pas les enfants** Arnaud Le Gouëfflec, Olivier Balez, Valérie Portheret, 2025-03-05. L'incroyable sauvetage des enfants juifs de Vassieux-Août 1942 : région lyonnaise. Dans une France déchirée, le gouvernement de Vichy s'apprête à organiser une nouvelle rafle après le Vel d'Hiv en livrant l'occupant nazi des juifs étrangers de la zone libre. Parmi eux figurent des centaines d'enfants. Quand l'abbé Glasberg apprend ce qui se trame, il a peu de temps devant lui pour agir. Fondateur de l'Amitié chrétienne, l'homme d'glise a pluché méthodiquement les lois jusqu'à trouver une faille : ses espoirs reposent sur une liste d'exemptions. Sous couvert d'aider, trier les internés qui affluent, l'abbé entame un véritable combat administratif. Grâce à une chaîne de solidarité d'une ampleur inédite formée par des citoyens, des résistants et des membres de l'œuvre chrétienne, il va réussir à exfiltrer un très grand nombre de personnes du camp de Vassieux en fournissant notamment de faux documents. Mais il sait que les convois vont bientôt emmener les femmes et les enfants qui restent. Il sait aussi qu'un ultime alinéa stipule l'impensable : si les parents abandonnent leurs enfants, ces derniers ne peuvent être déportés. Le stratagème est déconcertant. Dans la nuit du 28 au 29 août 1942, des mères et des pères vont faire un dernier acte d'amour pour vider leurs enfants : la solution finale. Le sauvetage de 108 enfants du camp de transit de Vassieux restera jamais dans les mémoires. Arnaud Le Gouëfflec et Olivier Balez livrent une adaptation fidèle du livre de l'historienne Valérie Portheret qui signe ici la préface. À travers un album bouleversant, on se pose la question de la responsabilité de chacun. Entre témoignage et travail de mémoire, le trait est sombre et le scénario concis. Il n'y a pas ici de grand héros, mais une solidarité qui rend compte du courage collectif face à l'acceptable. Une œuvre digne de mettre entre toutes les mains. Historienne Valérie Portheret a reconstitué au terme de vingt-cinq ans de recherches ce sauvetage des enfants du camp de Vassieux, recueillant partout dans le monde la parole d'un très grand nombre d'entre eux.
