Richard Booker,1981-02-01 **Salvation is from the Jews (John 4:22)** Roy H. Schoeman,2003 Traces the role of Judaism and the Jewish people in God's plan for the salvation of mankind from Abraham through the Second Coming as revealed by the Catholic faith and by a thoughtful examination of history It will give both Jews and Christians a deeper understanding of Judaism both as a religion in itself and as a central component of salvation history The book examines the unique and central role Judaism plays in the destiny of the world It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity but in the most anti-Christian of forces Areas addressed in depth include the Messianic prophecies in Jewish Scripture the very anti-Christian roots of Nazi anti-Semitism the links between Nazism and Arab anti-Semitism the theological insights of well known Jewish converts and the role of the Jews in the Second Coming *The Heart of Wisdom*

Escaped Goat Jonathan Malone,2021-03-17 The Scapegoat has baffled scholars for ages Did the Yom Kippur ritual originate in the worship of demons as modern scholars say Journey with us through the Torah and the Dead Sea Scrolls as we trace the roots of these ideas Leaving Qumran we find our path littered with other extra biblical documents We examine the internal claims of pseudepigrapha as well as the commentary of paleographers Will the vaunted wisdom and holiness of the God of Israel stand the test Or critical theories crumble like the walls of Jericho **Signs of the Times, and Doctrinal Advocate and Monitor** ,1901 *Miracles* J. Harold Ellens,2008-07-30 Can science psychology and biology explain miracles This three volume set attempts to answer that question presenting the latest as well as classic thinking and research regarding miracles from fields that include psychology psychiatry theology biology and history We have all heard of what seem miraculous events which have surfaced across history They range from stigmata and bleeding icons to deadly tumors that disappear and healers who succeed just by laying hands on the afflicted from people who can predict unexpected events to so called mediums and those who can allegedly see and speak with the dead These books led by an eminent scholar who serves as series editor for the Praeger series Psychology Religion and Spirituality examine miracles of body mind and spirit presenting the most recent research and writing on these uncommon events aiming to bring hard science to some of the most persistent and peculiar phenomena associated with the human race Can science psychology and biology explain miracles This three volume set attempts to answer that question presenting the latest as well as classic thinking and research regarding miracles from fields that include psychology psychiatry theology biology and history From news of a crippled woman who left her wheelchair and walked after an evangelist prayed over her to stories of people who died on the operating table only to be revived to tell of bright lights and the pathway to the afterlife we ve all heard of what seem miraculous events They have surfaced across history They range from stigmata and bleeding icons to deadly tumors that disappear and healers who succeed just by laying hands on the afflicted from people who can predict unexpected events to so called mediums and those who can allegedly see and speak with the dead Some miracles are intricately tied to religious beliefs but there are millions of people who ascribe to no particular religion yet still believe that things happen that defy all laws of nature and thus defy scientific explanation In these books eminent scholar J Harold Ellens and his team of expert contributors examine miracles of body mind and spirit presenting the most recent research and writing on these uncommon events as they aim to bring hard science to some of the most persistent and peculiar phenomena associated with the human race **Experience with the Supernatural in Early Christian Times** Shirley Jackson Case,1929 The Christians Bible is rich in miracles Supernaturalism runs like a scarlet thread through the whole book from Genesis to Revelation For centuries this phenomenon was contemplated with entire satisfaction by both laity and clergy But in modern times a different way of

thinking has been gaining favor Many a Christian today passes hastily over the miracle stories in the Scriptures and dwells with greater satisfaction on the less spectacular portrayal of men s moral ideals and spiritual struggles abundantly recorded in his sacred book One whose inclinations move in this direction may sometimes feel at a loss to account for the prominence of the miraculous in Hebrew religion and more particularly in early Christianity Why did the advocates of the new religion concern themselves so extensively with the imagery of supernaturalism To answer this question is the purpose of the present volume preface Books in Print ,1991 **Paperbound Books in Print** ,1992 *Mosher's Magazine* ,1902
