A Critical Companion to the 'Mirrors for Princes' Literature ,2022-12-05 Why devote a Companion to the mirrors for princes whose very existence is debated These texts offer key insights into political thoughts of the past Their ambiguous problematic status further enhances their interest And although recent research has fundamentally challenged established views of these texts until now there has been no critical introduction to the genre This volume therefore fills this important gap while promoting a global historical perspective of different mirrors for princes traditions from antiquity to humanism via Byzantium Persia Islam and the medieval West This Companion also proposes new avenues of reflection on the anchoring of these texts in their historical realities Contributors are Makram Abbas Denise Aigle Olivier Biaggini Hugo Bizzarri Charles F Briggs Sylv ne Edouard Jean Philippe Genet John R Lenz Louise Marlow Cary J Nederman Corinne Peneau Stéphane Piquignot No lle Laetitia Perret G nter Prinzing Volker Reinhardt Hans Joachim Schmidt Tom Stevenson Karl Ubl and Steven J Williams

Intersectional Humanism and Star Trek: Discovery Alyson R. Buckman,2024-09-16 Intersectional Humanism and Star Trek Discovery focuses on the shift from the liberal humanism of the Star Trek franchise to the intersectional humanism of Star Trek Discovery Featuring a great deal of diversity both in front of and behind the camera Discovery affirms the guiding principle of the franchise infinite diversity in infinite combinations Arguing that the focus of Discovery is a connection between a variety of beings and ways of being in the world the author analyzes the relationships among humanoids and machines animals and between each other as well as the representation of trauma in the series The author finds that while there are reversions to some of the more problematic elements of liberal humanism over the course of the series ultimately it forms connections that will progress humanity and deepen our relationship to each other and the world around us
