Miss Buncle Married English Edition:

Miss Buncle Married D.E. Stevenson, 2012-11-06 From beloved English author D E Stevenson who has sold more than 7 million books worldwide The next heart warming installment in the life of charmingly nosy writer Miss Buncle who won't slow down for things as simple as marriage or a sudden move to a new town In this light hearted follow up to Miss Buncle's Book Miss Barbara Buncle had just gotten everything sorted out She married her publisher became Mrs Abbott and set aside the distracting business of writing But proper domestic bliss demands a change of scenery The Abbots move to a new town filled with fascinating folks who might just inspire her bestselling book whether she meant to write it or not Miss Buncle thought she wanted to settle down but she's already discovered that married life can't do a thing to prevent her from getting into humorous mix ups and hilarious hijinks With the wit and charm of a Jane Austen novel and the gossipy small town delight of the Flavia de Luce series D E Stevenson delivers a cozy hilarious escape into the English countryside Miss Buncle's Book D.E. Stevenson, 2012-09-01

Who Knew One Book Could Cause So Much Chaos Barbara Bunde is in a bind Times are harsh and Barbara's bank account has seen better days Maybe she could sell a novel if she knew any stories Stumped for ideas Barbara draws inspiration from her fellow residents of Silverstream the little English village she knows inside and out To her surprise the novel is a smash It's a good thing she wrote under a pseudonym because the folks of Silverstream are in an uproar But what really turns Miss Bunde's world around is this what happens to the characters in her book starts happening to their real life counterparts Does life really imitate art A beloved author who has sold more than seven million books D E Stevenson is at her best with Miss Buncle's Book crafting a highly original and charming tale about what happens when people see themselves through someone else's eyes Love it love it love it There are no vampires no faeries no weird creatures just a sweet story about real people living in a world I've always dreamed of Reader Review
