

Mississippi Trial, 1955 - Review Questions by: Chris Crowe

Do not write on the study guide. Submit your numbered answers on lined writing paper.

Chapter 1

- 1) Hiram's father lectured him often about the evils of hatred and prejudice. How did those lectures "backfire" on his father?
- 2) The story goes back and forth in time. What year is it when Hiram begins the narrative?
- 3) Hiram says, "It was strange, but you know how sometimes when you get what you think you always wanted, it turns out to be nothing like you expected?" Describe a time in your life when this has happened to you.
- 4) Who raised Hiram and why?
- 5) Where did Hiram's grandparents live?
- 6) Who is Mr. Paul and what does he have in common with Hiram's dad?
- 7) How does Grampa Hilburn make his money?
- 8) Describe what happens when Hiram picks up a worker's hoe.
- 9) What does Hiram's grampa tell him about why "God made Negroes"?

Chapter 2

- 1) Hiram describes his grandparent's home in detail. Describe 3 things; something he sees, something he hears, and something he smells.
- 2) Why doesn't Grampa "care much for the rest of the world"?
- 3) Who are Ralph and Ronnie Remington? Describe one of them.
- 4) Why did Hiram have "a bad taste in his mouth"?
- 5) Who is Naomi and why does Hiram's gramma call her a "poor little thing"?
- 6) Briefly describe R.C. Use one example of his behavior in this chapter to support your description.

Division of Vocational Education, 1957 **Integrating Literature in the Content Areas** Sharon Kane, 2017-05-12 This practical accessible resource will help future and practicing teachers integrate literature into their middle school or high school classrooms while also addressing content area standards and improving the literacy skills of their students Two introductory chapters are followed by five chapters that each cover a different genre Chapter 3 Informational Books Chapter 4 Fiction Chapter 5 Biography Autobiography and Memoir Chapter 6 Poetry and Chapter 7 How to and Hands on Books Each genre chapter consists of four parts Part 1 Discusses the genre and how content area teachers can use books within that genre to further content learning and enhance literacy skills Part 2 Offers hands on instructional strategies and activities using literature with activities for use in a variety of disciplines Part 3 Presents individual author studies three or four per chapter with bibliographies and guidelines for using the authors books in content area courses Part 4 Features an annotated bibliography of specially selected children and young adult literature for that genre organized by content area The annotations provide information about the book which can be used to prepare booktalks and teaching ideas for using in a specific content area Altogether these sections contain more than 600 annotated entries tabbed by subject area including art English language arts languages and culture math and technology music PE health science and social studies history *Developing and Validating Test Items* Thomas M. Haladyna, Michael C. Rodriguez, 2013-07-18 Since test items are the building blocks of any test learning how to develop and validate test items has always been critical to the teaching learning process As they grow in importance and use testing programs increasingly supplement the use of selected response multiple choice items with constructed response formats This trend is expected to continue As a result a new item writing book is needed one that

provides comprehensive coverage of both types of items and of the validity theory underlying them This book is an outgrowth of the author s previous book *Developing and Validating Multiple Choice Test Items* 3e Haladyna 2004 That book achieved distinction as the leading source of guidance on creating and validating selected response test items Like its predecessor the content of this new book is based on both an extensive review of the literature and on its author s long experience in the testing field It is very timely in this era of burgeoning testing programs especially when these items are delivered in a computer based environment Key features include Comprehensive and Flexible No other book so thoroughly covers the field of test item development and its various applications Focus on Validity Validity the most important consideration in testing is stressed throughout and is based on the Standards for Educational and Psychological Testing currently under revision by AERA APA and NCME Illustrative Examples The book presents various selected and constructed response formats and uses many examples to illustrate correct and incorrect ways of writing items Strategies for training item writers and developing large numbers of items using algorithms and other item generating methods are also presented Based on Theory and Research A comprehensive review and synthesis of existing research runs throughout the book and complements the expertise of its authors *Signal Journal* ,2006 Treasury Enforcement Agent Arco Publishing Company,1961

Integrating Racial Justice Into Your High-School Biology Classroom David Upegui,David E. Fastovsky,2023-09-12 In this guide educators and authors David Upegui and David E Fastovsky offer a pedagogical prescription for how you can integrate the study of racial justice with evolutionary biology in your existing high school biology curriculum Designed as a practical manual for teaching the chapters focus on teaching concepts of equity through evolutionary biology modules a cornerstone for building students scientific understanding of biotic diversity The book provides pedagogical components alongside historical and scientific components with contextual chapters that give teachers the background knowledge to understand the historical relationship between science and racism for topics such as natural selection social justice and American slavery and colonization Ready to use lesson plans are situated in a historical and theoretical context of science as it relates to racial oppression and demonstrate how rigorous science education can lead to your students liberation and personal empowerment despite the historically problematic history of some applications of science These lesson plans and classroom exercises are presented in a way that introduces the timely extra dimension of anti racism into the existing biology curricula without significantly increasing teaching loads The contextual material provided allows the lessons to be implemented across a variety of classrooms regardless of initial familiarity with DEI Ideal for secondary biology teachers and their students particularly in grades 10 12 this book synthesizes timely ideas for high school educators harnessing the power of rigorous science to combat marginalization Lessons and activities have been classroom tested and are aligned with three different standards Next Generation Science Standards NGSS College board AP Biology Vision and Change and use the 5E format *Geology* Edward C.
