Mistress Found Scandalous Victorians:

Women, Portraiture and the Crisis of Identity in Victorian England Colleen Denney, 2017-07-28 Exploring the concept of portrait as memoir *Women Portraiture and the Crisis of Identity in Victorian England* My Lady Scandalous Reconsidered examines the images and lives of four prominent Victorian women who steered their way through scandal to forge unique identities The volume shows the effect of celebrity and even notoriety on the lives of Mary Elizabeth Braddon Lady Dilke Millicent Garrett Fawcett and Sarah Grand For these women their portraits were more than speaking likenesses whether painted or photographic they became crucial tools the women used to negotiate their controversial identities *Women Portraiture and the Crisis of Identity in Victorian England* shows that the fascinating power of celebrity and specifically its effects on women was as much of a phenomenon in Victorian times as it is today Colleen Denney explores how these women used their portraits as tools of persuasion performing a domestic masquerade to secure privacy and acceptance or sites of resistance tearing down male constructions of female propriety and fighting Victorian stereotypes of intellectual women Questioning the classic Victorian notions of separate spheres this volume celebrates women's search for self within the constraints of the nineteenth century as well as within the world of present day academia

Victorian Sensation, Or, The Spectacular, the Shocking, and the Scandalous in Nineteenth-century Britain Michael Diamond, 2003 *Victorian Sensation* sheds light on the Victorians' fascination with celebrity culture and their obsession with gruesome and explicit reportage of murders and sex scandals With a vivid cast of characters ranging from the serial poisoner William Palmer to Charles Dickens Jumbo the Elephant distinguished politicians and even the Queen herself this passionate analysis of the period reveals how the reporting methods of our own popular media have their origins in the Victorian press and shows that sensation was as integral a part of society in the nineteenth century as it is today

The Routledge Handbook of Victorian Scandals in Literature and Culture Brenda Ayres, Sarah E. Maier, 2022-12-01 *The Routledge Handbook of Victorian Scandals in Literature and Culture* exposes explores and examines what Victorians once considered flagrant breaches of decorum Infringements that were fantasized through artforms or were actually committed exceeded entertaining parlor gossip once in print they were condemned as socially contaminative but were also consumed as delightfully sensational Written by scholars in diverse disciplines this volume Demonstrates that spreading scandals seemed to have been one of the most entertaining sources of activities but were also normative efforts made by the Victorians to ensure conformity of decorum Provides a broad spectrum of infractions that were considered scandalous to the Victorians Identifies Victorian transgressions that made the news and that may still shock modern readers Covers a gamut of moral infractions and transgressions either practiced rumored or fantasized in art forms This handbook is an invaluable resource about Victorian literature art and culture which challenges its readers to ponder perplexing questions about how and why some scandals were perpetrated and propagated in the nineteenth century while others were not and what the controversies reveal about the human condition

that persists beyond Victoria's reign of propriety **Catholic Sensationalism and Victorian Literature** Maureen Moran, 2007-01-01 Exotic corrupt and dangerous Roman Catholicism functioned in the popular Victorian imagination as a highly sensationalized and implacably anti-English enemy Maureen Moran's lively study considers a wide range of key authors including Charlotte Brontë Robert Browning Wilkie Collins and George Eliot as well as a number of non-canonical writers to give a detailed account of the cultural tensions between Catholics and Protestants Moran shows that rather than representing a traditional religious schism the demonizing of Catholics resulted from secular fears over crime sex and violence Scandal Trevor Fisher, 1995 Sexual misdemeanours in high places are not new Today's tabloid headlines of passion and indignation at the behaviour of members of the royal and political establishment are paralleled by events of a century and more ago The mid-Victorian period was dominated by a double standard which insisted on a rigid public respectability while condoning widespread sexual immorality by men This hypocrisy led to extensive protests culminating in a series of highly publicized scandals in the 1880s and 90s which marked the triumph of dogmatic puritanical morality A furious controversy raged during the 1860s and 70s over stealthy moves towards legalizing prostitution One MP commented on the protest movement in which early feminists such as Florence Nightingale and Josephine Butler featured prominently We know how to manage any other opposition but this is very awkward for us this revolt of women It is quite a new thing The general public often reacted violently to the protesters on one occasion a mob threatened to burn down the hotel where Josephine Butler was staying Nevertheless the remainder of the nineteenth century saw the inexorable rise to a position of power and influence of the purity lobby assisted by the major scandals of the period which saw the downfall of Sir Charles Dilke Charles Stewart Parnell and most infamously of all Oscar Wilde This is a fascinating analysis of the politics of sexual morality in Victorian Britain which not only provides a well-researched and radical new view of the period but also raises many questions about the extent to which the Victorian period can be described as the rise of respectable society

European Royalty of the Victorian and Edwardian Era John Fabb, 1986 **The Victorian Review**, 1880 The Naughty Nineties Angus Wilson, 1976 In words and pictures Angus Wilson brilliantly portrays the mood and tempo of that scintillating age of pleasure seekers The Victorian Review H. Mortimer Franklyn, 1880 *The Victorian Chancellors: Lords, Lyndhurst, Brougham, Cottenham, Truro. 1906 v. 2 Lords St. Leonards, Cranworth, Chelmsford Campbell, Westbury, Cairns Hatherley, Selborne, Halsbury and Herschel. 1908* James Beresford Atlay, 1906 **The Victorian Chancellors** James Beresford Atlay, 1906 **Victorian Scandals** Kristine Ottesen Garrigan, 1992 In the popular mind the word Victorian still evokes associations of repression hypocrisy and prudery We persist in thinking that the Victorians were perpetually shocked by everything from minor breaches of domestic decorum to ministry-toppling causes In examining various Victorian scandals some familiar some more obscure these essays provide lively discussion and diverse points of view on the context nature and function of scandal in Victorian society particularly in terms of gender and class Topics covered include women as

both victims and beneficiaries of the Victorian legal establishment demonstrated through divorce petitions cases of wrongful confinement and a highly publicized breach of promise suit the actress in contemporary pornography the effects on male hegemony of programs of higher education for women ambivalent reactions to biographies of Thomas Carlyle and George Eliot and to Julia Margaret Cameron's ennobled photographic portraits the surprising toleration of gambling and infanticide The afterword examines the diverse responses to scandalous behavior from the perspectives of recent critical theory Taken as a whole *Victorian Scandals* illustrates the pervasive role of the contemporary press in rendering private conduct a subject of public fascination and suggests the need to expand the definitions functions and interpretations of scandal in Victorian society

The Spectator, 1910 A weekly review of politics literature theology and art *History* Albert Frederick Pollard, Harold Felix Baker Wheeler, 1929 **Academy; a Weekly Review of Literature, Learning, Science and Art**, 1895 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the Academy v 79 Oct 15 Nov 5 Dec 3 and 31 1910 *Women's Employment*, 1928 *The academy*, 1895 **Fifty Years of a Londoner's Life** Henry George Hibbert, 1916 **A Dictionary of European Literature** Laurie Magnus, 1926 **Illustrated Sporting & Dramatic News**, 1915
