Missing 411 Western United States And Canada:

Missing 411 David Paulides, 2011 Major news organizations do a deplorable job of covering major stories and issues which are deemed too unusual or too far outside the box Chances are they will find a way to trivialize or ignore the disturbing evidence accumulated by David Paulides a former law man turned investigative journalist The paper trail uncovered by Paulides through sheer doggedness is impressive the evidence indisputable People are vanishing without a trace from our national parks and forests yet government agencies are saying nothing At a minimum this story deserves space on the front page of every newspaper in the country and it warrants a formal high level inquiry by the federal agencies whose files leave little doubt that something very strange is unfolding in our wilderness George Knapp Host Coast to Coast AM P 4 of cover

takes a deep look at Bigfoot Nation the seemingly real world of bigfoot around us in the United States and Canada Whether real or imagined that bigfoot has made his way into the American psyche cannot be denied He appears in television commercials movies and on roadside billboards In fact bigfoot is everywhere with actors portraying him in variously believable performances and it has become the popular notion that bigfoot is both dangerous and horny Indeed bigfoot is out there stalking lover s lanes and is even more lonely than those frightened teenagers that he sometimes interrupts Bigfoot tall and strong as he is makes a poor leading man in the movies with his awkward personality and typically anti social behavior He doesn t care a skunk s gland how many movies or commercials are made about him without any royalties whatsoever being paid To him Bigfoot Nation is all about style a lifestyle shall we say that keeps bigfoot on the fringes of society gently creeping into our dreams Join David on a wild ride from the very first bigfoot reports in the 1800s to right now Chapters include 1800 to 1899 The Wildmen of the Frontier The Oldest Bigfoot Photo 1900 to 1940 The Pre War Years 1950 to 1990 The Post War Years The Skunk Apes of Swamp Nation Bigfoot in the Southwest 2000 to 2020 Post Millennial Bigfoot more Includes 16 pages of color photos that document Bigfoot Nation *Grasping Sasquatch* Ph.D. John S. Disembodied Voices Tim Marczenko, 2020-08-28 A paranormal investigator reveals evidence of mysterious voices that communicate with us and hair raising theories about who they are and what they want For millennia people have had encounters with voices that seem to come from nowhere These disembodied voices have haunted and helped us inspired and scared us But few have stepped forward to discuss the phenomenon Now Tim Marczenko reveals true stories from his extensive investigation into real life encounters with disembodied voices as well as historical accounts and his own personal experiences With objectivity and healthy skepticism Tim explores theories about why these voices exist where they may be coming from and what their agendas may be Are they forgotten woodland deities Is it an ancient evil from the days of Eden Is there a single intelligence behind them all or perhaps we shouldn't look too deeply or else
