Nation Divides (ENHANCED eBook) E. A. Moehle, 1972-09-01 The Nation Divides contains 12 full color PowerPoint slides 28 reproducible pages including five pages of test material and a richly detailed teacher's guide Among the topics covered in this volume are the rivalry of the north and south the cotton kingdom expansion of the United States the Kansas Nebraska Act Abraham Lincoln the Lincoln Douglas Debates the election of 1860 the underground railroad and the abolitionist movement *The Repeal of the Missouri Compromise* Perley Orman Ray, 1908 The repeal of the Missouri Compromise in 1854 stands conspicuous as a turning point of the American slavery controversy It put an end forever to the long series of accommodations between the territorial claims of slavery and freedom An apparently innocent bill to organize a territorial government west of the Missouri River provoked a gigantic and picturesque parliamentary duel in the Senate Chamber of the United States and with the termination of that last gladiatorial combat in the arena of Congress the day had passed for peaceful adjustments and for compromises based on mutual good faith The estrangement of the sections was irreconcilable The appeal to arms was the only and inevitable means of ending forever the irrepressible conflict To advance a new explanation of the circumstances under which the repeal of the Missouri Compromise was conceived and how the repeal happened in 1854 is the main purpose of this book *Stephenson's Kansas State Eighth Grade Examination Question and Answer Book for Common School Diplomas* Kansas.
