Mistress Secrets, a Memoir Iva T Louise Chin-Shue, Iva T. Louise, 2014-02-09 Attachment does not allow freedom so allow the man to be Allow yourself to be An autobiographical book based on the life of Iva T Louise Mistress Secrets A Memoir charts the life of the author and her role as a monogamous mistress going for 40 years Suffering hardship growing up as a child in the Caribbean and her journey to meeting and choosing not to fall in love with BB has taken her to a life of self actualization She has her own distinct and valuable role to play outside yet parallel to the dynamics of marriage Full of wit humour and deeper insights of human nature Mistress Secrets A Memoir goes to the core of what it is to be a mistress and that the commonly held notion that she is a home wrecker or prostitute is totally dispelled She is a friend lover companion and an essential part of her man s life There s a mistress in every woman but not every woman needs to use her *Mistress Secrets a Memoir* Iva Louise, 2018-06 This is my new improved version of a mistress book In this book I am sharing more details feelings and knowledge about my experiences As a mistress you are not alone in this world I have enjoyed and embraced my life as a free woman being a mistress and it has made me the woman I am today Mistress Secrets: a Memoir Iva Louise, 2014-11-28 From the earliest days of recorded history to the present time the mistress has played a key role in human relationships The term mistress is used in western civilization to describe the woman who is involved in a sexual relationship with a married man They do not live together and it was usually kept a secret It implies financial dependence on the man for whom the mistress exclusively reserves her sexual favors Now for the first time the role of the mistress is being discussed candidly and openly to dispel long held beliefs and myths about its significance in human relationships For centuries this role has been looked down upon and has caused many women untold misery as they were not conforming to the accepted mores of the societies in which they lived I trust this book will be used to help dispel any feelings of guilt sin or shame the mistress may have the negative attitudes often associated with the role of the mistress
