Mrs Keppel And Her Daughter:

Mrs Keppel and Her Daughter Bill Reynolds, Diana Souhami, 1998-03 **Mrs. Keppel and Her Daughter** Diana Souhami, 1996-04-25 Alice Keppel the married lover of Queen Victoria's eldest son and great grandmother to Camilla Parker Bowles was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville West during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries and letters, Diana Souhami portrays this fascinating and intense mother-daughter relationship. Her story of these women, their lovers and their lovers' mothers highlights Edwardian and contemporary duplicity and double standards and goes to the heart of questions about sexual freedoms.

Biographical Dictionary of Scottish Women Elizabeth L. Ewan, Sue Innes, Sian Reynolds, Rose Pipes, 2007-06-27 This single volume dictionary presents the lives of individual Scottish women from earliest times to the present. Drawing on news, scholarship and a wide network of professional and amateur historians, it throws light on the experience of women from every class and category in Scotland and among the worldwide Scottish diaspora. The Biographical Dictionary of Scottish Women is written for the general reading public and for students of Scottish history and society. It is scholarly in its approach to evidence and engaging in the manner of its presentation. Each entry makes sense of its subject in narrative terms, telling a story rather than simply offering information. The book is as enjoyable to read as it is easy and valuable to consult. It is a unique and important contribution to the history of women and Scotland. The publisher acknowledges support from the Scottish Arts Council and the Scottish Executive Equalities Unit towards the publication of this title.

Homosexuality in Italian Literature, Society, and Culture, 1789-1919 Elisa Bianco, Anita Virga, 2017-05-11 Homosexuality, bisexuality, transvestitism and trans genders represented new ideas, customs and mentalities which shattered nineteenth-century Italy. At this time Italy was a state in the making with a growing population, a fading aristocracy and new urban classes entering the scene. While still an extremely Catholic country, atheism and secularization slowly undermined the old traditional morality with literature and poetry endorsing innovative fashions coming from abroad. Laxity mixed with perversion while new forms of sexuality mirrored the immense changes taking place in a society that since time immemorial was dominated by the Church and by a rigid class system. This was a revolution parallel to the political movements that brought about the Unification of Italy in 1861 and was tormented, intense and occasionally tragic. This collection of essays offers a rather comprehensive overview of this phenomenon. Personalities and places, ideas and novels, poetry and tragedy, law and customs are the subject of ten essays written by leading international experts in Italian history, the history of sexuality.
