Paper Example on Harmonious Rhythms: Exploring a Jazz Concert with the Modern Jazz Quartet Essay

Introduction

Listening to music is uplifting and especially for those who can appreciate the composition and instruments used to bring the music to life. Jazz music can be characterized as a rhythmic and instrumental type of music, and mostly from the African-American background. It is described to have been developed by African American Musicians and possess energetic rhythms in addition to characteristic improvisation (Rupp, 2011). The course requirement involved selecting a jazz concert YouTube video from the list. My selection was the concert by Modern Jazz Quartet in Japan in 1981. The paper describes the concert observation experience of listening to a jazz performance by the Modern Jazz Quartet.

Introduction of the Jazz Concert

The concert was live at Nippon Budokan, Tokyo, Japan. It happened in October 1981 and featured the Modern Jazz Quartet which is referred to as one of the most beautiful Quartets of all time (Lewis et al., 2017). The concert took two days which was October 19 and 20 in 1981. The jazz ensemble together performed seven pieces during the two-day concert. The parts are considered stylistically different and hence provided the audience with varied experience of jazz music. The ensembles that performed the concert are the members of the Modern Jazz Quartet, and they include John Lewis, Percy Heath, and Connie Kay. They play different instruments with Milt Jackson performing the vibes, John Lewis plays the piano, Percy Heath plays the bass and Connie Kay the drums.

Performance Space and Stage Presentation

The first noticeable thing when you begin to watch the video of the concert is the impeccable way the Modern Jazz Quartet conducts their presentation. It seems like they are following a specific program. The stage arrangement is that of a semicircle which appears to appeal to the audience (Lewis et al., 2017). The style of presentation by the groups seems to adhere to a program that is directed by all members in an alternating manner as they explain the musical numbers on the stage. After a musical number is played and the audience applauds, the four gentlemen would together bow in unison. Another noticeable presentation factor the Quartet's respectable dressing (Rupp, 2011). It, therefore, means that the presentation underscored the live concert.

Description of the Performance

Before watching the video, I researched the members of the group, establishing that each member had their area of expertise. These included the Percy Heath as the bassist, Connie Kay as the drummer, Milt Jackson as the vibra-harpist, and John Lewis as the pianist-composer. They together
