Jane on Her Own Ursula K. Le Guin, 2001-05 Jane is the youngest of the five Catwings cats who have wings and can fly. She lives on a farm with her brothers and sisters but while they are content she is restless and longs for adventure. Her sister Harriet warns her that if human beings saw cats with wings they'd put us in cages. But Jane refuses to listen and when she flies to the city she becomes the captive of a man who wants to make her a TV star. Jane has to figure out a way to escape to regain her friends and her freedom.

How can she possibly explore the world now? Is there anywhere Jane can be truly free?
