January 2014 C1 Marking Scheme:

The Air Force Law Review, 2016 **Energy, the Modern State, and the American World System** George A. Gonzalez, 2018-03-01 Energy and the modern state The political economy of energy Urban sprawl in the U S and the creation of the Hitler regime Urban sprawl the Great Depression and the start of World War II U S economic elites nuclear power and solar energy Global oil politics Plutonium and U S foreign policy Conclusion energy and the global order *The Rebirth of Professional Soccer in America* Dennis J. Seese, 2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize Leagues competed in the U S as far back as the late 1800s and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden Multiple leagues existed during the early 1900s but after the American Soccer Association folded in 1933 the country did not see a rebirth of professional soccer until 1967 It was a painful hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues The United Soccer Association USA and the National Professional Soccer League NPSL The Rebirth of Professional Soccer in America The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport s history The USA and NPSL were ragged misshapen pieces of a puzzle that refused to fit together two leagues competing directly for fans and revenue While the USA was a league sanctioned by FIFA but absent from the nation s airwaves the NPSL was considered an outlaw league by FIFA but it held an exclusive television contract with CBS This would have been strange enough but the USA league imported entire teams from Great Britain Italy and South America including Stoke City Wolverhampton Wanderers Cagliari Calcio and Bangu This book recounts soccer riots in Yankee Stadium teams with dual identities World Cup winners on the pitch and a cast of characters featuring the likes of Phil Woosnam Lamar Hunt Derek Dougan and Gordon Banks Drawing on meticulous research and interviews this book reveals the little known story that unfolded on the field in the boardroom and across the country during this single strange season of professional soccer Featuring an impressive group of global soccer legends this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters as well as for soccer fans around the world **Water and Energy International**, 2014 Digital Stockholm Syndrome in the Post-Ontological Age Mark Jarzombek, 2016-08-01 Once humans were what they believed Now the modern person is determined by data exhaust an invisible anthropocentric ether of ones and zeros that is a product of our digitally monitored age Author Mark Jarzombek argues that the world has become redesigned to fuse the algorithmic with the ontological and the discussion of ontology must be updated to rethink the question of Being In Digital Stockholm Syndrome in the Post Ontological Age Jarzombek provocatively studies the new interrelationship between human and algorithm Forerunners is a thought in process series of breakthrough digital works Written between fresh ideas and finished books Forerunners draws on scholarly work initiated in notable blogs social media conference plenaries journal articles and the synergy of academic exchange This is gray literature
