Japanese Mochi Recipe:

Japanese Mochi Recipes Daniel Humphreys, 2019-01-14 This book is based upon the famous Japanese sweet commonly known as mochi. This sweet is very common in Japan and is a traditional dessert which prepared for generations. After reading this book you will surely get the hang of authentic Japanese sweet mochi. If one wants to perfect the art of making mochi you must get this book and follow each and every step mentioned for making the perfect mochi. A mochi according to the Japanese terminology is a cake which is made of rice flour and which usually contains a fruit or other kind of sweet filling. Usually the filling is some type of fruit or jam. This book contains many different variations on a basic mochi. The ingredients used are mainly simple and very easy to get. There are some basic ingredients in each recipe which are repetitive. The only difference is the flavors and kind of filling one prefers for their mochi. This book contains the following sections with several variations of each: Easy Japanese Butter Mochis, Chocolate Japanese Mochis, Strawberry Japanese Mochis, Japanese Mochis With a Variety of Flavors. The best way to get started with Japanese mochi recipes is by getting this book. You can get the whole picture of how to make this dessert really shine. All the details have been mentioned in this book from the quantity needed to the preparation time and the complete guide as to how to make this unique desert. **Japanese Mochi Recipe**

Cookbook Rachael Rayner, 2019-09-27 Within the pages of this book you will discover a delightful collection of easy to prepare Japanese sweet Mochi dessert recipes. This Japanese dessert is one that is prepared with glutinous rice that is made into a paste and then you can create it into the desired shape that you want your Mochi to be. My collection of recipes is based around Mochi which is prepared during a traditional ceremony the Japanese refer to as mochitsuki. Mochi is not a dish that is only served during or around New Year's Eve but instead it is enjoyed all year long. This collection of Sweet Mochi dessert recipes are relatively simple and easy to prepare as they are made using modern methods that do not need any special equipment to prepare. Unlike the traditional Mochi preparation that required traditional equipment to mash the steamed rice, you will be able to prepare this collection of Sweet Mochi recipes with the utensils you have at home. Enjoy serving these mouthwatering Mochi desserts to your family and friends. They will surely bring a smile of pleasure on the faces of those that have the fortune of tasting these delightful sweet treats. Mochi Magic
