Bent Over By My White Boss Aaliyah Jackson, 2017-04-28

Erickya is a black single mother working to provide for her family, which means romance is taking a back seat to her career. The only man she spends real time around is her boss, Mr. Dawes, and as much as she fantasizes about tearing off his \$5,000 suit, she knows it's too forbidden to ever happen. That is, until Mr. Dawes sets his sights on her and asks for one thing only: total sexual submission. Mr. Dawes has a beautiful wife and children of his own, and Erickya never imagined herself as being the other woman to anybody. However, her boss has ways of persuading her into doing things she never thought she could. When she's in his office with the door closed and faced with a life-changing choice, will she give in and let Mr. Dawes get what he wants like he always does, or take the moral route? No matter what she says, Mr. Dawes never gives up, never takes no for an answer, and never uses a condom or pulls out, and Erickya is only human. This story involves themes of interracial sex, BWWM, and billionaire alpha male domination in the workplace.
